## **Open Windows Devotional:**

*Christian Devotions & Quick Studies* Jim Davenport, 2013-01-02 This book is a compilation of selected articles and devotions on a variety of Christian topics. Some touch on items of importance to the local church such as how to deal with rumors and gossip the Biblical pattern for giving the comparison of givers and takers harboring grudges and the proper order for worship. Many of the articles provide advice to the individual Christian on their daily walk with God including such topics as lifestyle choices the sanctity of life changes brought about by the salvation experience how to deal with fear facing tough times being a friend and making right choices. Several articles touch on Islam with one providing a basic comparison to Christian beliefs. Others address the nature of God the gift of Jesus and the believer's sufficiency in Christ. Not everyone will appreciate the author's point of view but his purpose is to make you think and in particular to think about and strengthen your relationship with the Lord Jesus Christ

The Episcopalian, 1968    The Children of a King Perry Thomas, 2016-09-09 The Children of a King Ridgecrest Summer of 1950 follows eighteen year old Cordel Whitman as he leaves home for the first time. Hoping to do something different and worthwhile he spends three months working on the summer staff of Ridgecrest a large Christian conference center in the North Carolina mountains. He makes many friends some of them lifelong friends among the 330 college students who work with him and also among others at Ridgecrest especially a lonely troubled little boy. Cordel hears about the ominous outbreak of war in Korea. He experiences the sting of false accusations and the sadness of a fatal accident. Author Perry Thomas who spent several summers of his youth working at Ridgecrest and similar places has woven together his own memories and the recollections of other former summer staffers to create the gripping story of Cordel Whitman. As young adults of today read about the lives of youth many decades ago they will recognize striking similarities and discover significant differences. All who can look back on their own histories finding times in their younger years when events conspired to move them along the path to maturity will welcome The Children of a King as a story that entertains while it inspires
