Open Your Eyes 10 Uncommon Lessons To Discover A Happier Life:

Open Your Eyes Jake Olson, McKay Christensen, 2014-01-07 Doctors removed Jake Olson's left eye at ten months old. When he was twelve, after years of radiation and chemotherapy, the cancer took his right eye as well. That's when Jake's story really began. When ESPN met Jake Olson, he was a twelve-year-old boy who wanted to spend his final weeks of sight with the USC football team. Jake's story became one of the most recognized pieces in the network's history, earning an award instantly viewed by hundreds of thousands of people worldwide. But Jake's story didn't end with his final surgery or with ESPN, not by a long shot. Now sixteen, Jake Olson dreams of becoming the first blind golfer in the PGA. How is such a thing even possible? How does that level of perseverance endure in someone with so many reasons to give up? In *Open Your Eyes*, Jake Olson tells more than his story. He reveals the ways of thinking, living, and praying that have kept him and his family triumphant in the face of their tribulations. Told with sincerity and humor in tandem with leadership coach McKay Christensen, *Open Your Eyes* is not just a heartwarming chronicle of the Olson family's struggle. Jake's story is a step-by-step lesson in perseverance and motivation from a young man who knows how to put the past in the past. From the USC locker room to the fairways of Pebble Beach, Jake Olson will inspire you, your family, and your team with bravery, ability, and faith. It is time to learn from this remarkable young man and open your eyes to a happier life.
