

Graduation Speech – Class of 2015
Saint Xavier High School - May 17, 2015

Graduates:

Welcome to this Day and to the meaning behind the dignity of this ceremony as you join the ranks of Saint Xavier's alumni.

You have been school leaders at an historical time as we concluded the celebration of the school's 150th Anniversary. Reflect for a moment on that history, on those who have gone before you, developing the philosophy, programs and facilities and paving the way for the opportunities you have had and the experiences we have shared. Soon it will be your responsibility to ensure a St. X experience for other students and that such opportunities are there and even better for them.

Then reflect one more time on our theme for the year: ***Together, we dream, we believe and we achieve.*** Those who walked the halls, took the classes and were part of the teams and activities before you continued to dream, developing a vision for what St. X has become and achieving in ways that propelled our school forward. And all along the way, they believed faithfully that God would walk with them and provide even more opportunities to learn, know, love and serve.

You have continued the traditions, stretched the vision and walked together in faith in all that we have asked you to do.

Opening Speech For Kindergarten Graduation:

Constructing Singapore Michael D. Barr, Zlatko Skrbis, 2008 Constructing Singapore studies Singaporean nation building by focusing on two processes elite formation and elite selection It gives primary attention to the role that ethno racial ascription plays in these processes but also considers the input of personal connections personal power class and gender It is a study of the progress of Singapore's state sponsored nation building project to its current state whereby a Singaporean version of Chinese ethno nationalism has overwhelmed the discourse on national and Singaporean identity Based upon archival research and formal interviews this study unpacks the culture of elite governance in Lee Hsien Loong's Singapore today

The Night Before Kindergarten Graduation Natasha Wing, 2019-04-09 It's time to celebrate kindergarten graduation in Natasha Wing's best selling series featuring rhyming text in the style of the classic Clement C Moore holiday poem Get ready for a major milestone kindergarten graduation Of course there's a lot of preparation the night before as kids prepare for the momentous occasion This is a great school year follow up to *The Night Before Kindergarten* *On the High Wire* George Theoharis, Sharon Dotger, 2015-02-19 This book highlights the challenges higher education faculty face in balancing professional and personal lives focusing on education faculty with school aged children It explores these conflicts through autoethnographic accounts making the tensions visible for the field to address **SAME JOURNEY - DIFFERENT**

PATHS Various Authors, 2013-05-24 **Pillar of Fire**, 1961 *Digging for Answers* Charles P. Frank, 2017-05-25 Digging for Answers finds private investigators Mac and Maggie Mason having to come out of retirement to join in the search for some answers What happens to a couple accused of being illegal immigrants What can be done to restore a broken family relationship Where do you begin looking for a loved one who disappears Why would a little boy be abandoned by his loving parents How much tragedy can one heart endure When is the time for a victim to challenge an abuser Check out what Mac and Maggie find out as they find themselves surrounded with all of these questions Maybe you'll have an answer too **The American Teacher**, 1885 *Edjop* Benjamin Pimentel, 1989 **Talking Book Topics**, 1990 **Tellers of Tales, Singers of Songs** Soledad S. Assembly, 1885 **The Brunonian** Brown University, 1887 **Memories: Journey into an Immigrant's Mind** Emanuel Paparella, 2018-08-10 As its title powerfully suggests this book while being a personal memoir a narration of one's life journey from sunrise to sunset transcends the personal Its uniqueness lies in the fact that these memories are the memories of an immigrant who has lived in the country as a US citizen with an American born father for some sixty years It is much more than a list of events and anecdotes of an immigrant experience It is written in a Dantesque

and Vichian spirit and as such it goes beyond the listing of historical events and people More than a physical journey it is an intellectual journey into the mind of an immigrant in search of ones self and ones ethnic identity As such it is a universal journey with which nonimmigrants even native born can easily empathize Our common humanity makes it universal As Dante well put it when he began the narration of his lifes journey In the middle of the journey of our lives I found myself in a dark wood As Dante begins the journey guided by Virgil and Breatrice he finds out that indeed the journey is universal beyond the purely personal As Michelangelo said Ancor imparo I am still learning He uttered such a statement at the venerable age of eighty nine a few days before he died He was still sculpting and learning Likewise if we dare to begin the journey at whatever age we may find ourselves we may soon find out that we too are still learning and the journey may well have a common purpose and destination
