Operation Terra The Collected Works:

Operation Terra Sara Zibrat,2012-08 The term Operation Terra refers to a body of information and an operational concept This book presents both The information has been telepathically transmitted by a group of higher density beings who refer to themselves as The Hosts of Heaven It was initially presented as a series of 51 Messages cosmic lessons that were first published on the Operation Terra web site and eventually in three soft cover books However over time more information has become available This book replaces and greatly expands upon the earlier books Almost 30% of the content in this collected works edition is new some of which is being shared publicly for the first time The operational concept of Operation Terra is about a special task force that is assisting the present planet Earth in ascending to her next form the new Earth Terra and the colonization of that new planet by pioneers from the present planetary population as well as others who will join us from throughout our galaxy This book lays out the journey of how we will get there and brings new light to our understanding of the times in which we live On September 23 2011 a grid of 12 stargates was activated that supports the separating out of 12 timelines leading to 12 different futures from our single present reality The timeline leading to Terra is only one of those future destinations This material is intended to be an activation for those who will make the journey to Terra either now or from the platform of a future incarnation For millennia to come Terra will act as the next step in human evolution a world built upon the foundations of peace love and joy This is the 4 5 billion year story of our present Creation from its birth to its coming end We will now witness the birth of an entirely new Creation and while the associated birth pangs may be intense the joy that awaits us will be worth it About the Author Sara Zibrat known as Adonna on the Web was the messenger steward and spokesperson for the material contained in this book In the mid 60s Sara was found to be 100% accurate in laboratory tests of her telepathic abilities and Walter Cronkite featured her in a 21st Century TV segment Miracle of the Mind Sara trained for her role in connection with Operation Terra for 18 years before the first Message was delivered in June 1999 and looks forward to participating in the rest of the journey to Terra
