## Opioid Addiction And Treatment A 12 Year Follow Up:

NIDA Notes ,1991    Relapse and Recovery in Drug Abuse ,1986 This monograph is based upon papers and discussion from the RAUS Review Conference on Relapse and Recovery in Drug Abuse which took place on September 19 and 20 1985 in Rockville Maryland The review was sponsored by the Office of Science and the Division of Clinical Research National Institute on Drug Abuse    **Addiction careers** Dennis Dwayne Simpson,1986    **Opioid Addiction and Treatment** Dennis Dwayne Simpson,Saul B. Sells,1990 Covering a national sampling of 490 heroin addicts who were admitted to community based treatment agencies this book shows the findings from this project when the addicts were relocated and interviewed 12 years later Sections include research design addiction careers and treatment histories    **Principles of Addiction Medicine** Richard K. Ries,Shannon C. Miller,David A. Fiellin,2009 This respected text from the American Society of Addiction Medicine is valuable for all physicians and mental health personnel who specialize in addiction medicine and who treat patients with addiction disorders The chapters blend scientific principles underlying addiction with the practical essentials of clinical addiction medicine Many of the contributors are affiliated with leading government agencies that study addiction and its science such as the National Institute on Alcohol Abuse and Alcoholism and the National Institute on Drug Abuse The book will appeal to a wide and interdisciplinary range of professionals especially those with interest or duties relating to addiction related disorders and in particular physicians seeking certification status via either the American Board of Addiction Medicine or the American Board of Psychiatry and Neurology A companion Website will offer the fully searchable text    *Quarterly Journal of Studies on Alcohol* ,1990 Includes sections Activities of the Research Council on Problems of Alcohol and Current literature    **Heroin Addiction** Jerome J. Platt,1989    *Heroin Addiction: Treatment advances and AIDS* Jerome J. Platt,1986    **The Effectiveness of drug abuse treatment** ,1990    **The Sociology of American Drug Use** Charles E. Faupel,Gregory Weaver,2004 Unlike most texts about drug use which are written either from a counseling psychology or physiology pharmacology point of view The Sociology of American Drug Use mainstreams the coverage for sociology and criminology programs and at the same time provides a broader sociological perspective on drug use Much of this material comes from Charles Faupel s own research experience among street heroin addicts on the East coast several chapters offer an ethnographer s perspective on the specific issues addressed while at the same time maintaining a focus on the basics of this substantive field    *The International Journal of the Addictions* ,1990    **The American Journal of Drug and Alcohol Abuse** ,1987    **American Journal of Public Health** ,1989-07 Includes section Books and reports    The Effectiveness of Innovative Approaches in the Treatment of Drug Abuse Frank M. Tims,1997-01-28 This edited collection builds on the editors previous works Drug Abuse Treatment The Implementation of Innovative Approaches Greenwood 1994 and Innovative Approaches in the Treatment of Drug Abuse Program Models and Strategies Greenwood 1993 This new book carries the study further by looking at the effectiveness of these treatment approaches The

essays represent an effort to systematically integrate science and practice in order to improve drug abuse treatment

**Handbook of Drug Control in the United States** James A. Inciardi, 1990-09-27 This volume begins with articles that chronicle the history of the drug problem in the United States the roots of the current policy effort the emergence of drug abuse treatment as a means of demand reduction and the links between drug use and crime The contributors present detailed accounts of contemporary efforts to reduce the supply and demand of illegal substances including prevention intervention treatment and foreign policy considerations They also discuss problematic sectors and controversies in contemporary drug control efforts such as drug testing the AIDS intravenous drug use connection and the debate over the legalization of drugs Background papers include a summary of the 1989 National Drug Control Strategy released by the White House ISBN 0 313 26190 3 65 00

**Drug Abuse Treatment** Robert L. Hubbard, Mary Ellen Marsden, 1989 Drug Abuse Treatment A National Study of Effectiveness

Therapeutic Communities for Addictions George De Leon, James T.

Ziegenfuss, 1986 *Journal of Drug Issues*, 1992 **Mental Health Services** Bruce Lubotsky Levin, John Petrila, 1996 As efforts to develop a more unified national mental health policy continue a public health framework within which to examine this process is necessary This uniquely multidisciplinary work integrates knowledge derived from epidemiologic treatment and service systems research to develop such a framework It provides the basic critical elements for understanding the organization financing and delivery of mental health services The text also addresses the delivery of mental health services to individuals from ethnic and racial minorities and discusses the role of consumers and advocates in mental health service systems In addition it examines epidemiologic treatment and service delivery issues in three undeserved at risk populations children and adolescents the elderly and adult substance abusers Written by national experts in the field this timely work will provide policymakers administrators graduate students and service providers with the knowledge base needed to implement improvements and changes in mental health service systems

*Innovative Approaches in the Treatment of Drug Abuse* James A. Inciardi, Frank M. Tims, Bennett W. Fletcher, 1993-05-30 This collection of studies by experts on drug abuse

treatment represents the state of the art in research examining what works best and why in a nationwide effort to improve and expand treatment to counteract the epidemic use of cocaine and the spread of AIDS Investigators at the National Institute on Drug Abuse describe 15 projects that test intervention strategies to improve client recruitment retention performance and treatment outcomes in a range of community based programs relating to different populations treatment settings and research designs addressing real world issues The findings analysis and recommendations should counteract misunderstanding and misinformation about the nature of drug abuse among 5.5 million patients and the effectiveness of current treatment programs This report is meant for students scholars and professionals dealing with public health criminal justice America's social problems and governmental policies This professional report describes innovative programs for improving the treatment of drug abuse The first part of the book relates to methadone programs limiting the spread of HIV

among high risk narcotics addicts improving retention on methadone maintenance and enhancing treatment through a mobile health service The second segment of the book deals with residential programs assessing their impact evaluating a specific outreach project providing a longitudinal evaluation of dually diagnosed men in different community programs Case management programs described in the third section of the study include an assessment of a model for intravenous drug users an assertive community treatment project for hard to reach populations and problems with and remedies for treatment drop outs and noncompliers The fourth part of the report concerns system evaluation of strategies for dealing more effectively with drug abuse today It covers multi modality and other eclectic programs such as a therapeutic community day treatment model for methadone clients a behavioral model for treating cocaine addicts treatments for AIDS risk reduction and a drug day treatment using the therapeutic community model
