**The Pentecostal Gender Paradox** Joseph Lee Dutko, 2023-11-16 The distinct subjects of eschatology and gender equality have seen an explosion of interest in recent decades particularly within Pentecostal scholarship Pentecostalism is regarded ideally as both an eschatological and egalitarian movement However many Pentecostals have lamented the inconsistency between the early egalitarian impulse of the movement and its current restrictive practices This situation has been described as the so called Pentecostal gender paradox referring to the conflicting freedoms and limitations experienced by Pentecostal women Pentecostals have also recognized the waning eschatological fervor within the movement and its shifting eschatological convictions leading to calls to rediscover the eschatological heart of the movement Despite the renewed interest in both eschatology and women s equality little research has been done to put these two areas into conversation with each other eschatological convictions are often absent in the debate on gender roles in the church For Pentecostals eschatology has often been about urgency in saving souls rather than attending to social issues but could Pentecostal eschatology be the key to re discovering greater equality for women in the church Is the waning of both eschatology and women s equality within Pentecostalism potentially interrelated For over one hundred years the role of women in Pentecostalism has been debated without a firm consensus By examining gender solely through an eschatological lens in history Scripture and praxis this work provides a valuable and creative contribution to one of the most important theological and global issues of our time women s in equality This book is also one of the first

comprehensive studies to approach a single social issue solely through an eschatological lens and to provide attention to developing a thorough and methodologically connected eschatological praxis By uncovering the unified eschatological egalitarian narrative thread within both the Pentecostal and biblical story this work suggests that the present end of women s inequality begins with fidelity to the future eschaton of gender equality      **Religion Index One** ,2007      **Partners in Marriage and Ministry** Ron Pierce,2011-01-20 Does the Bible prescribe gender roles for men and women Are men uniquely called to exercise authority in marriage and church ministry Is submission a one way street for women only Or has God created us and called us to live together in a partnership of yielding in love to each other Partners in Marriage and Ministry addresses these frequently asked questions      Christians on the Right John Kater,1982 Surveys the history of Christian conservative political movements in the United States and examines the policies of the Moral Majority from the perspective of traditional Christian ethics
