HOW IT IS THAT SINS ARE FORGIVEN IMIEL,2019-03-26 The word sin has today become one of the most controversial expressions of our time Each passing day has its share of rising antagonism as well as protagonists in defense Simply because the intellect has successfully over ridden the ability of the spirit to correspond the reality of Truth with all that naturally pertains to man A disastrous outcome that is not encourageable nor admissible as right In this book I seek to bring the understanding of what the right conception of sin is and how it comes about being sustained Especially in regard to notions such as evil and darkness Elucidating on the many mercies of God for the redemption of sins readers will at last come to personal reckoning of the infinite magnitude of the great Love of God which only seeks the benefit and welfare of all His creatures May its expositions at last lead to the true recognition of that which brings salvation the most urgent necessity for the man of today

Trothen,2006-01-01 Why did it take so long for the United Church of Canada to respond to violence against women Tracy J Trothen looks at the United Church as a uniquely Canadian institution and explores how it has approached gender and sexuality issues She argues that how the Church deals with these issues influences its ability to name violence against women In examining the Church s early approaches to gender and sexuality Tracy J Trothen discovered that the United Church had tended to see certain structures or roles as sacred and others as demonic For example while sex outside marriage was bad or improper sexual expression within marriage was largely deemed as proper or good no matter what manifestation it took This assumption allowed much violence within families and marriages to go unchallenged Trothen uncovers significant shifts in this approach through the examination of such issues as redemptive homes marriage pornography abortion the ordination of women and family Then analyzing three recent case studies she demonstrates the value of women s voices in challenging dominant world views Finally she suggests how the Church s approach to human sexuality and gender has facilitated or obstructed the move to address violence against women The findings in Linking Sexuality and Gender can be applied to faiths outside the United Church and will be important to anyone interested in church and society sexuality gender or the causal dynamics behind one Canadian institution s response to violence against women Tracy J Trothen is an assistant professor of systematic theology and ethics and director of field education at Queen s Theological College Queen s University Canada She was ordained in the United Church of Canada Why did it take so long for the United Church of Canada to respond to violence against women

Passionate and Pious Monique Moultrie,2017-12-11 In Passionate and Pious Monique Moultrie explores the impact of faith based sexual ministries on black women s sexual agency to trace how these women navigate sexuality religious authority and their spiritual walk with God Providing churchwomen a space to candidly discuss these issues these popular ministries exist largely beyond the traditional church with dialogues about sex taking place in chat rooms and through text

messages social media email and other media Moultrie foregrounds televangelist Juanita Bynum's construction of the black Christian sexual identity these ministries promote while emphasizing how churchwomen reconcile these prescriptive identities with their individual experiences. What does it mean for senior women to exercise sexual agency when their church standing could be questioned? What does celibacy mean for women who experience same sex desire while believing that such desire goes against God's will? Advancing a womanist sexual ethics Moultrie reframes biblical interpretations and conceptions of what constitutes a healthy relationship to provide a basis for sexual decision making that does not privilege monogamy or deny female pleasure thereby calling on black churchwomen to experience responsible and life enhancing sex.
