1. A small number of respondents (10%) were unable to provide a response to the question about the frequency of use of the system. This was due to the fact that they had not used the system at all.

There are many advantages in providing an increasing number and range of adult employment and training opportunities for young people. However, it is essential that the system is designed to ensure that young people are able to gain the maximum benefit from the opportunities available. The Government's policy is to ensure that all young people are able to gain the maximum benefit from the opportunities available.
