Jarrett-Macauley,2016-08-05 What does it mean to study Shakespeare within a multicultural society And who has the power to transform Shakespeare The Diverse Bard explores how Shakespeare has been adapted by artists born on the margins of the Empire and how actors of Asian and African Caribbean origin are being cast by white mainstream directors It examines how notions of race define the contemporary British experience including the demands of traditional theatre and it looks at both the playtexts themselves and contemporary productions Editor Delia Jarrett Macauley assembles a stunning collection of classic texts and new scholarship by leading critics and practitioners to provide the first comprehensive critical and practical analysis of this field

Singing Utopia Ben Macpherson,2024-12-03 Singing Utopia is an original study of voice in musical

theatre Rather than focusing on how actors sing or analysing voices using established approaches found in opera studies this book offers readers ways to understand musical theatre voices from a cultural perspective It argues that musical theatre singing allows listeners and audiences to escape their everyday lives and that voices can be utopian It then considers what this means and uncovers some paradoxes and difficulties in this idea Introducing a new set of terms it provides a way to

listen to think about and even perform voice in popular musical theatre
