The Bad Guys: The 25 Most

Incorrigible Imposters, Villains, and Killers Ever to Walk the Earth Sarah Dowdey, Deblina Chakraborty, 2012-11-19 A deep abiding passion for a modern day tyrant sociopath or fraud might be cause for concern among the newshound's friends and family. But let the story be strange enough and let enough time pass and suddenly the subject becomes obsession worthy something to share at trivia night to pore over at the library or as it turns out to recommend to us. Since starting our podcast *Stuff You Missed in History Class* listeners have written in to request countless villains, tyrants and imposters representing all eras of history and all corners of the world. Sometimes the stories of these no good characters turn out to be worse than imagined like the nightmarish murders committed by the real Bluebeard Gilles de Rais. Other times though the villains revealed a surprisingly human side like the fierce female pirate Zheng Yi Sao's plans for a comfy retirement or master thief Adam Worth's deep devotion to his family and his code. This book pulls together the exploits of these historically bad and worse than bad figures into one collection arranged into chapters we thought made sense. You'll find tyrants like Caligula with conquerors like Tamerlane the questionably bad gangster Ma Barker grouped with mastermind mobster Al Capone and folk hero criminal D.B. Cooper paired up with the charmingly fraudulent Princess Caraboo. And if by the end you're not already losing sleep thanks to terrifying visions of the pirate Blackbeard with his beard alight we've included some bonus content on creepy hotels and mysterious hidden passageways to kick off your next research obsession. Enjoy Sarah and Deblina.

Each chapter starts with a lesson reflecting the different stages of their cookery course guiding you through the basic techniques of pasta making choosing the best ingredients for an antipasti platter cooking meat on an open fire and many other aspects of Tuscan cooking. In 80 delicious regional recipes Giancarlo and Katie pass on methods used by generations of the Caldesi family with tips supplied by their Italian friends and neighbours. They describe how to make well known Tuscan dishes such as Tomato Bruschetta the classic Ribollita soup and the traditional Plum Crostata as well as personal favourite that were popular with their students including Mussel and Clam Spaghetti with Fresh Tomato Salsa and Chicken with Cinnamon and Lemon. Illustrated with a wealth of stunning location shots and food photography *Return to Tuscany* is both an easy to follow cookery book and an inspirational introduction to the culture and traditions of this beautiful part of Italy.
