Passionate Playgoing in Early Modern England Allison P. Hobgood, 2014-01-23 *Passionate Playgoing in Early Modern England* examines the emotional effect of stage performance on the minds of the early modern theatre audience **The**

^AOxford Handbook of Shakespeare and Music Christopher R. Wilson, Mervyn Cooke, 2022-02-11 *The Oxford Handbook of Shakespeare and Music* showcases the latest international research into the captivating and vast subject of the many uses of music in relation to Shakespeare's plays and poems extending from the Bard's own time to the present day *Contagion and the Shakespearean Stage* Darryl Chalk, Mary Floyd-Wilson, 2019-06-17 This collection of essays considers what constituted contagion in the minds of early moderns in the absence of modern germ theory In a wide range of essays focused on early modern drama and the culture of theater contributors explore how ideas of contagion not only inform representations of the senses such as smell and touch and emotions such as disgust pity and shame but also shape how people understood belief narrative and political agency Epidemic thinking was not limited to medical inquiry or the narrow study of a particular disease Shakespeare Thomas Middleton Ben Jonson Thomas Dekker and other early modern writers understood that someone might be infected or transformed by the presence of others through various kinds of exchange or if exposed to certain ideas practices or environmental conditions The discourse and concept of contagion provides a lens for understanding early modern theatrical performance dramatic plots and theater going itself *Venus's Palace* Reut Barzilai, 2023-03-20 This book lays bare the dialogue between Shakespeare and critics of the stage and positions it as part of an ongoing cultural ethical and psychological debate about the effects of performance on actors and on spectators In so doing the book makes a substantial contribution both to the study of representations of theatre in Shakespeare's plays and to the understanding of ethical concerns about acting and spectating then and now The book opens with a comprehensive and coherent analysis of the main early modern English anxieties about theater and its power These are read against twentieth and twenty first century theories of acting interviews with actors and research into the effects of media representation on spectator behaviour all of which demonstrate the lingering relevance of antitheatrical claims and the personal and philosophical implications of acting and spectating The main part of the book reveals Shakespeare's responses to major antitheatrical claims about the powerful effects of poetry music playacting and playgoing It also demonstrates the evolution of Shakespeare's view of these claims over the course of his career from light hearted parody in *A Midsummer Night's Dream* through systematic contemplation in *Hamlet* to acceptance and dramatization in *The Tempest* This study will be of great interest to scholars and students of theater English literature history and culture *Robin Hood and the Outlaw/ed Literary Canon* Lesley Coote, Alexander L. Kaufman, 2018-08-06 This cutting edge volume demonstrates both the literary quality and

the socio economic importance of works on the matter of the greenwood over a long chronological period These include drama texts prose literature and novels among them children s literature and poetry Whilst some of these are anonymous others are by acknowledged canonical writers such as William Shakespeare Ben Jonson and John Keats The editors and the contributors argue that it is vitally important to include Robin Hood texts in the canon of English literary works because of the high quality of many of these texts and because of their significance in the development of English literature

Writing Emotions Ingeborg Jandl, Susanne Knaller, Sabine Schönfellner, Gudrun Tockner, 2018-07-15 After a long period of neglect emotions have become an important topic within literary studies This collection of essays stresses the complex link between aesthetic and non aesthetic emotional components and discusses emotional patterns by focusing on the practice of writing as well as on the impact of such patterns on receptive processes Readers interested in the topic will be presented with a concept of aesthetic emotions as formative both within the writing and the reading process Essays ranging in focus from the beginning of modern drama to digital formats and theoretical questions examine examples from English German French Russian and American literature Contributors include Angela Locatelli Vera N nning and Gesine Lenore Schiewer

Arden of Faversham: A Critical Reader Peter Kirwan, Duncan Salkeld, 2023-06-29 One of the earliest domestic tragedies Arden of Faversham is a powerful Elizabethan drama based on the real life murder of Thomas Arden This Critical Reader presents the first collection of essays specifically focused upon Arden of Faversham It highlights the way in which this important play from the early 1590s stands at several different critical intersections Focused research chapters propose new directions for exploring the play in the light of ecocriticism genre studies critical race studies and narratives of dispossession It also looks forward to Arden of Faversham s role and status in a less author centred critical climate Chapters explore how this anonymous and canonically marginal play has been approached in the past by scholars and theatre makers and the frameworks that have offered productive insight into its unique features The volume includes chapters covering a wide range of critical discourses and resources available for its study as well as offering practical approaches to the play in the classroom

Renaissance Et Réforme ,2018 **Vanity Fair** T.G. Bowles, O.A. Fry, 1880 A periodical in part famous for the cartoon portraits of politicians and public figures These were mainly by Spy i e Sir Leslie Ward and Ape i e Carlo Pellegrini

The Academy ,1888 **Subject Guide to Books in Print** ,1991 **The Churchman** ,1916 *Sketch* ,1899 *The Pall Mall Budget* ,1882 **Plays and Players** ,1963 **Literature** ,1902 **The Chicago Jewish Forum** ,1963 Modern Arts Criticism Joann Prosyński, 1991 *The New York Times Review of Books* ,1968
