## **Past Life Karmic Tarot Special Topics In Tarot Series:**

**Past-Life and Karmic Tarot** Edain McCoy, 2004 Unique tarot book that explores past lives and karma      **1-2-3 Tarot** Donald Tyson, 2004 With the simple system outlined in this book you can start reading the cards immediately even if you've never even touched a Tarot deck before Most books that teach you how to read the Tarot contain long lists of keywords for each card With seventy eight cards and multiple keywords for each card that's hundreds of meanings to memorize The easy effective system outlined in 1 2 3 Tarot will have you giving accurate readings right away without having to memorize anything The key to this unique system is the Tarot sentence A card's complex significance boils down to three elements identity action and direction These elements are matched with a noun verb and adverb to form a simple sentence and give you a succinct meaning for any given card You'll learn how to interpret the collective meanings of three card sets within a variety of spreads designed to answer any question A quick reference table that includes reversed meanings saves you the trouble of flipping through the book while you're in the middle of a reading Flexible fast and fun this foolproof method can be applied to any Tarot deck Book jacket      **Tarot Outside the Box** Valerie Sim, 2004 Take the next step in Tarot Looking for new ways to expand your understanding of Tarot Renowned Tarot specialist Valerie Sim helps Tarot enthusiasts step out of the box and advance their practice to a new level Emphasizing a fun relaxed approach she teaches how to break rules in order to stimulate creativity Readers learn many valuable Tarot techniques including the comparative method which involves practicing with several decks to fully understand each card and its abundant possibilities for interpretation Tarot Outside the Box also offers original spreads sample readings and valuable advice for practicing Tarot without querents engaging in interactive readings both reader and querent participation and using Tarot for creative writing      Forthcoming Books Rose Arny, 2004      American Book Publishing Record, 2003      **Encyclopedia of Reincarnation and Karma** Norman C. McClelland, 2018-10-15 Featuring over 1 200 topical entries arranged alphabetically this encyclopedia provides diverse and detailed coverage of the related subjects of reincarnation and karma Its in depth examination ranges from ancient beliefs to those of the present incorporating all relevant world cultures A series of broad thematic entries cover foundational aspects while over a thousand highly focused entries deal with various societies and organizations which support the concepts of reincarnation and karma specific religious groups sects and associations key individuals both historic and modern and related beliefs concepts and practices      *Mystery of Reincarnation* J. Allan Danelek, 2005 Do our souls return to earth time and time again Do we come back with a different identity and different lessons to learn in each lifetime as our spirit evolves toward its highest development and realization This unique book explores the theory of reincarnation from the perspectives of science religion psychology history and logic presenting the information in a balanced and respectful way that invites you to draw your own conclusions Mystery of Reincarnation is divided into two sections The first is designed to frame the debate and give you the fundamentals of the topic It includes the historical foundation of reincarnation in Western thought evidence

for and against reincarnation from scientific moral and religious perspectives how past lives may affect our current hobbies interests and personality The second section of the book is more esoteric presenting theories on the process of rebirth and what the soul is attempting to achieve through multiple incarnations It explores how the personality the soul and the nature of God fit into the reincarnation equation Karma old souls and soul mates even the possibility of simultaneous multiple incarnations are considered Finally appendices sort through the facts and fiction surrounding the well known past life regression case of Bridey Murphy look at the story of James the Submarine Man and examine possible reincarnation references contained in the Bible and the Gnostic texts back cover
