The New Christian Advocate ,1958 **Rites in the Spirit** Daniel E. Albrecht,1999-12-01 Rites in the Spirit is a book about spirituality ritual and Pentecostal experience The volume presents a careful and innovative study of Pentecostal practices and experiences Focusing on the very important but often intriguing worship rites that express the spirituality of Pentecostals Albrecht discovers that these Pentecostal charismatic rites and their attending sensibilities also function to shape nurture authenticate and even transform the spiritual lives of these Christians Rites in the Spirit seeks to guide Pentecostals and the charismatically inclined toward self interpretation and a more nuanced conception of and a deeper appreciation for their Pentecostal experience The volume also aims to make a sometimes exotic spirituality more accessible and understandable to those who have had limited contact with Pentecostal charismatic forms and expressions Running Away Ulysses Stephen King, Jr.,2015-03-12 Ulysses honest candor about the Christian journey is refreshing He supports the body of Christ in developing spiritual veracity while applying practical truths Running Away is an authentic discourse exploring life behind the pulpit Vita Jones Ph D For those sons and daughters who served alongside their parents in ministry and were left on the battlefield wounded with scars you

are not forgotten There is healing for the soul and spirit even in the midst of pain and disappointment Pastor Kings daring memoir goes beyond the religious slogans and Christian jargon that is so often used by popular celebrity preachers and he examines some of the views and stereotypes cast on pastors children who serve in the church He shares his personal journey emotions and reasons for accepting the call to serve as the pastor of a historic classical Pentecostal church He also attempts to answer the question Why do so many pastors children leave the church and run away from the call to serve Running Away is a memoir of passion told by the son of a bishop who struggled to find his purpose and destiny in a denomination he no longer loved after the death of his father The book looks at Pastor Kings personal tests failures and trials in ministry and what it took for him to overcome some of the painful experiences of leadership Running Away is not a memoir of triumph or failure but of truth his truth Pastor King takes a leap of faith and risk by being vulnerable in order to share his story with a broader and wider community hoping his readers will understand his heart and love for his father and the local church he faithfully served for over thirty years Running Away is a must read for pastors with children and Christians who are often critical of them **Quaker Life** ,1987 *Fresh Ideas* Diana Davis,2007 From d cor to community outreach one thousand creative methods and suggestions to inspire how a church does church
