Pastoral Care in Context John Patton, 2005-01-01 An expert in the field of pastoral care John Patton demonstrates that pastoral care is a ministry of the church He focuses on the community of faith as an authorizer and source of care and upon the relationship between the pastor and a caring community Patton identifies and compares three paradigms of pastoral care the classical the clinical pastoral and the communal contextual This third paradigm emphasizes the caring community and the various contexts for care rather than focusing on pastoral care as the work of the ordained pastor Pastoral Care Dr. John Patton, 2010-09-01 The essentials of pastoral care involve the pastor's distinctive task of caring for those who are estranged the lost sheep Taken from the biblical image of the shepherd the pastor by virtue of his or her professional calling cultivates wise judgment in order to hear the hurting and offer guidance reconciliation healing sustaining presence and empowerment to those in need This book will outline the quintessential elements pastors need to wisely minister in today's context by discussing four major kinds of loss grief illness abuse and family challenges The purpose of the Abingdon Essential Guides is to fulfill the need for brief substantive yet highly accessible introductions to the core disciplines in biblical theological and religious studies Drawing on the best in current scholarship written with the need of students foremost in mind addressed to learners in a number of contexts Essential Guides will be the first choice of those who wish to acquaint themselves or their students with the broad scope of issues perspectives and subject matters within biblical and religious studies Pastor as Counselor John Patton, 2015 Pastoral counseling is a wisdom ministry of care connection and restoration

An Introduction to Pastoral Care Charles V. Gerkin, 1997 With generative wisdom Gerkin moves beyond the predominance of the psychotherapeutic paradigm in pastoral care to a dynamic interactive process which balances faith culture community and individual well being Gerkin's history of pastoral care is skillful His analysis of the current transitions in the field of care will make this book a classic Jeanne Stevenson Moessner Columbia Theological Seminary Decatur and the Georgia Association for Pastoral Care Out of the abundance of his many years as a pastoral caregiver and theologian Gerkin introduces readers to the history theory and practice of pastoral care This book represents the best of Protestant liberal pastoral theology and fills a long standing gap The narrative hermeneutical paradigm which Gerkin offers holds and works with many of the complexities of pastoral care in postmodern times Carrie Doehring School of Theology Boston University Gerkin's Introduction to Pastoral Care breaks new ground for an introductory text in its emphasis on care as the central metaphor of life in the Christian community Thus the scope is much larger than the more usual focus only on individual and family needs He is deeply sensitive to both individual and community dimensions through his quadrilateral nexus of tradition individuals and family community and cultural context James N Lapsley Princeton Theological Seminary The formula appears simple take the very best of pastoral care theory and research of the past build upon it the best of contemporary literature and practice in the pastoral arts and sciences season it with rich experiences of a pioneer in the pastoral care counseling and

education movement and you have a solid bridge to the 21st century Gerkin has proven the formula Gerkin articulates a pastoral care for the 21st century Orlo C Strunk Jr Pastoral Psychotherapist at The Coastal Samaritan Center Myrtle Beach South Carolina

Feminist and Womanist Pastoral Theology Bonnie J. Miller-McLemore, Brita L. Gill-Austern, 1999 In the last decade the focus of pastoral theology has shifted dramatically from care defined as counseling to care understood within a wider social political and religious context Feminist and womanist theory as well as feminist and womanist faith convictions have played a key role in this development According to the authors feminists and womanists in pastoral theology have begun to reconstruct the definitions parameters and commitments of pastoral care and counseling These changes have critical implications for care within congregations and for the understanding of theology in seminaries and divinity schools Yet these developments in the theory and practice of pastoral theology and their broader ramifications have not been carefully analyzed or even acknowledged by pastoral theologian minister and religion scholar alike This is due to a failure to articulate clear understandings of the field the gap between congregational ministry and higher education in
