## **Pastoring With Elders:**

**Pastoring with Elders** Kevin Mahon, 2012-07 Kevin is a preaching elder in an Associated Gospel Church in Canada AGC. Their elders have had a growing influence on other congregations and have frequently been asked to share their effective shepherding elder model. So how do you grow elders? Many pastors are looking for another program or quick fix to accomplish this end. However, the answer is rooted in the theology of ministry and the need to focus on the biblical mandate given to pastors rather than the tyranny of expectations inherent in pastor-led churches. This book is designed to help senior pastors walk through a process of deconstructing their understanding of pastoring and redirect them to a focused ministry within a plurality of shepherd elders. About the Author: Kevin Mahon has been the preaching elder at Peoples Church Sarnia Lambton since 1999. At the age of thirteen, he made a bargain with God and promised to become a priest. He and his wife were born again during their university days and joined the priesthood of all believers. God was faithful in shepherding that youthful promise made by Kevin, who now makes his living from the Gospel as a preaching pastor. Kevin's heart is for the local church for preaching God's Word and for growing men as disciples of the Lord. He has been married to Charlene for twenty-six years and has five children and a daughter-in-law.

**Pastoring with Elders: Together we Make One Really Good Christian** Kevin Mahon, **Effective Pastoring** Bill Lawrence, 1999-10-05 A great deal of confusion exists today as to what pastors are to be. Lawrence writes: Are they chaplains, CEOs, preachers, managers, or counselors? Paul gave us the answer long ago: They are to be equippers, disciple makers. Just as the great artist Michelangelo took a chipped and flawed piece of marble and transformed it into a masterful sculpture of David, so does a pastor with his flock. This is pastoring, writes Lawrence, serving as sculptors of souls.

***Servants in Charge*** Keith M. Bailey, 2007-04-01 *Servants in Charge* is a training guide for elders and deacons with a study guide included. *Servants in Charge* defines the roles of elders and deacons and offers practical suggestions for selecting these important leaders. And for servants who find themselves in charge, there are guidelines toward effective and fruitful ministry. Have you ever been in an office or a place of business when someone walked in and asked, "Who's in charge here?" Can it be that the people who enter your church ask the same question, but it is important to realize the answer is not a mystery. In a beautiful parable about His second coming, Jesus made it clear that His servants are in charge. These people are known not so much for their position or power but for their attitude of true servanthood. In *Servants in Charge*, we find that Dr. Bailey deals with the topics of who a deacon and elder are to be, to what their qualifications are from a scriptural basis. He also goes on to explain their biblically based ministries and their spiritual gifts as laid out in the New Testament. He completes this short study with a guide for preparation for them and their election and consecration. A great must-have for the church today.

**Training Ministry Teams** Anne Stuckey, 2004 Provides practical instruction to help pastors and congregational leaders bring clarity and purpose to the role of elders or deacons and to help deacons or elders learn and refine their ministry. Each of the nine sessions in *Training Ministry Teams* reflects on Jesus' method of training.

R. Miller, 2017-04-20 Elders Lead a Healthy Family explores the biblical paradigm for shared leadership elders as the spiritual big brothers and shepherds to the family of God This book is a fresh biblical alternative to the standard fare of pragmatic church leadership Delivered in a winsome and irenic style the book addresses the key concerns of our day including pastoral burnout women as elders women and the pastoral gift power in leadership abuse of power in ministry ministerial pay and fostering missional leadership structures The answer to so many of the problems facing the church is not more coaching or better education The answer requires our churches to change the very structures that foster abuse isolation and burnout If we hope to save our pastors then we need our pastors to abandon the pastor as CEO model of leadership If we want to reach the lost we need a systemic change in the way we plant grow and maintain our churches Instead of putting a solo leader at the top of Church Incorporated we need to build teams of elders doing ministry together as they lead the family of God     Elder-moderatorship Elias Riggs Montfort, William Cunningham Gray, 1887     *Church Ministry by Design* Gary H.
