Ted Murray

Patmos Speaks Today Patmos Speaks Today:

Patmos Speaks Today John Weston, 2007 John Weston has spent many years leading tours of Biblical sites in the Middle East Now he has brought together a series of meditations first on the Isle of Patmos and then on each of the seven churches in present day Turkey which are mentioned in the early chapters of the book of Revelation in the Bible With his attractive alliterative style the author transports the reader to the place where the Apostle John saw his apocalyptic vision of Jesus Christ What was it like What were the themes which were unfolded to him Reading the first chapter one could almost be sitting in the Apostle's cave on the Isle of Patmos as the tour guide sets the scene At appropriate points the explanation is reinforced with a familiar or unfamiliar hymn John in his vision received dictated letters for seven first century churches in cities of the country which is now Turkey The author leads the reader to each church in turn and the significance of the correspondence it received is reviewed from historical prophetic and topical points of view Strong arguments are advanced for the continuing relevance of these letters to churches and individual Christians today The tour ends with a grand review of each place visited and the comparative lessons to be learned So is the book simply a tour guide As preparation for a souvenir or a virtual replacement for a tour of Patmos and the Seven Churches this book is ideal But it is much more than that As an easy to read meditation on the early chapters of the book of Revelation considered within the framework of the prophetic and practical teachings of the rest of the Old and New Testaments it is a valuable aid to those who really want to know the relevance of Revelation for the twenty first century Christian

Lessons from Nehemiah Ted Murray, 2008-08 The story of Nehemiah is one of purpose pluck practicality perspiration preparation praise and purification permeated with prayer Piloted by the Word of God he leads the project to rebuild the walls of Jerusalem proving the purpose and power of God for His people As the story unfolds the author presents practical lessons for Christians today

Franz Rosenzweig and Jehuda Halevi Barbara Ellen Galli, Franz Rosenzweig, 1995 Franz Rosenzweig 1886 1929 one of the most daunting modern Jewish thinkers exercises a profound influence on contemporary philosophy and modern Jewish thought In this seminal study Barbara Galli provides the first English translation of Franz Rosenzweig's Jehuda Halevi *Zweiundneunzig Hymnen und Gedichte* a German translation of the poems of the great medieval Jewish poet Jehuda Halevi followed by a lively interpretive response Galli's primary aim is to explore Rosenzweig's statement that his Notes to Halevi's poems exemplify a practical application of the philosophic system he set out in *The Star of Redemption* Through an extended multifaceted investigation of Rosenzweig's thought Galli uncovers his philosophy of translation out of which she determines and unravels his philosophic conclusion and his belief that there is only one language In the final chapters she concentrates on the Notes to the poems and in doing so attempts to philosophize according to Rosenzweig's own mandate full speech is word and response
