ASHLI Jack Cashill, 2024-05-21

Unlike the women who descended on Washington in 2017 to protest the inauguration of President Trump the women of January 6 did not come as women. They came as Americans as patriots as defenders of the republic. They did not wear pink hats. They wore MAGA hats. Their issues were indistinguishable from those of the men in their lives the rule of law free and fair elections and the preservation of constitutional rights. They brought no laundry list of special needs like say reproductive rights because they understood that no one was challenging their right to reproduce. In fact many had reproduced abundantly. There was not a single celebrity in their midst no Ashley Judds no Gloria Steinems no Madonnas threatening to blow up the White House. These were Hillary's deplorables in the flesh a whole heaping basket of them irredeemable to the last woman. On January 6 the very presence of these intrepid women at the Capitol so offended the natural order of things that many would be gassed and beaten. Two would never return home. If resistance to government oppression has a face it is that of Air Force veteran Ashli Babbitt a determined patriot and an enduring martyr. This is her story and that of the other gallant women of January 6

The Big Truth Major Garrett, David Becker, 2022-09-20 A Revelatory Account Of The 2020 Election The Most Secure Verifiable And Transparent In American History And The Heroes Brave Enough To Get It Right. The Big Truth illuminates a crowning achievement in America's quest for a robust democracy in the face of slander by sore losers and opportunists. Filled with interviews of the guardians of democracy election workers January 6th Committee members Reps Liz Cheney R Wyoming and Jamie Raskin D Maryland Georgia Secretary of State Brad Raffensperger and more it is an

overpowering counterattack against the Big Lie CBS Chief Washington Correspondent Major Garrett and National Election Expert David Becker the Executive Director of the nonpartisan Center for Election Innovation Research reveal why Big Lie fraud allegations evaporate under scrutiny They report what actually happened in 2020 while calling out each Trumpian misdirection designed to con and beguile Americans into chasing phantom allegations of election crimes The 2020 election was not what Trumpist deniers claim Our political parties knew the rules and procedures We had record turnout and few election snarls The result an accurate count a seven million vote margin of victory 306 electoral votes for Joe Biden and Republican gains in congressional and state races But then President Trump stoked paranoia never looking for evidence contesting results even before anyone cast a ballot and seeking to bend our system until it almost broke with a violent Capitol riot The Big Lie the true corruption of American democracy has shaken our confidence in stable self government On the heels of voter fraud claims the Capitol siege and damaging voting laws the next midterm and presidential election will test our democracy more severely than at any time since the Civil War How we react may well determine if we are led into another war against ourselves The Big Truth debunks the 2020 election conspiracy myth once and for all while celebrating those who held up our democracy under arguably the most intense scrutiny in American electoral history

### **Find Me the Votes**

Michael Isikoff,Daniel Klaidman,2024-01-30 New York Times Bestseller From veteran award winning investigative journalists Michael Isikoff and Daniel Klaidman the epic inside story of the prosecution of a president In Find Me the Votes two years of immersive reporting by Isikoff and Klaidman has produced the most authoritative and dramatic account yet of a defeated president s conspiracy to overturn the 2020 election and how a local Georgia prosecutor a daughter of the civil rights movement decided to indict him and his allies for his desperate attempt to hold on to power From the beginning Fani Willis saw Donald Trump s crimes as a voting rights case and an attempt by the former president to deprive the citizens of Georgia of the franchise a right for which her forebears had

bled Isikoff and Klaidman take us deep inside both the nerve center of Trump's effort to steal the election and the DA's team of prosecutors as they build their case against the president. Their reporting reveals new information on the plot to criminally seize voting equipment in several states. Sidney Powell's attempt to obtain preemptive pardons from Trump and revelatory communications between the president and his co-conspirators. We see the prosecution take shape in Willis's office in the face of heinous threats of violent retaliation from Trump's supporters. With blockbuster original reporting and exclusive access to thousands of secret documents, emails, text messages, and audio recordings, *Find Me the Votes* is investigative journalism at its finest. The authors also conducted exclusive interviews with key sources in the Trump conspiracy as well as with the president's top targets, including Georgia secretary of state Brad Raffensperger and the Fulton County DA's team, featuring hours of interviews with Fani Willis herself. This is riveting contemporary history and a lasting account of the prosecution of a president who tested the rule of law as no president ever had before. Isikoff and Klaidman have written a story for the ages.
