Pauline Parallels A Comprehensive Guide:

Pauline Parallels Walter T. Wilson, 2009-01-01 The author examines each passage from every one of Paul's letters including those that some scholars believe were written by someone else and shows how they overlap and connect with passages from a broad spectrum of ancient literature. Parallels are drawn with other Pauline letters, New Testament and Old Testament writings, early Jewish literature such as the Dead Sea Scrolls and the philosophical and religious works of Greece and Rome.

The Craft of History and the Study of the New Testament Beth M. Sheppard, 2012-11-11 Do professional historians and New Testament scholars use the same methods to explore the past? This interdisciplinary textbook introduces students of the New Testament to the vocabulary and methods employed by historians. It discusses various approaches to historiography and demonstrates their applicability for interpreting the New Testament text and exploring its background. Overviews of the philosophy of history, common historical fallacies, and the basics of historiography are followed by three exegetical studies that illustrate the applicability of various historical methods for New Testament interpretation.

Documents and Images for the Study of Paul Neil Elliott, Mark Reasoner, 2010-11-01 *Documents and Images for the Study of Paul* gathers representative texts illustrating Jewish practices, Greco-Roman moral exhortation, biblical interpretation, Roman ideology, apocalyptic visions, epistolary conventions, and much more to illustrate the complex cultural environment in which Paul carried out his apostolic work and the manifold ways in which his legacy was reshaped in early Christianity. Brief, insightful introductions orient the reader to how these sources might play a role in different contemporary interpretations of Paul's life and thought.

Lavishly

illustrated with more than one hundred black and white photographs charts a map and timeline of Paul's world this sourcebook is a welcome resource for courses on Paul and his letters *Paul and the Gospels* Michael F. Bird, Joel Willitts, 2013-05-01 This volume which collects together the work of several established scholars attempts to situate the Apostle Paul the Pauline writings and the earliest Christian Gospels together in the context of early Christianity It addresses the issue of how the Christianity depicted in and represented by the individual Gospels relates to the vision of Christianity represented by Paul and the Pauline writings This raises such questions as to what extent did Paul influence the canonical and non canonical Gospels In what way are the Gospels reactions to Paul and his legacy A comparison of the Gospels and Paul on topics such as Old Testament Law Gentile mission Christology and early church leadership structures represents a fruitful area of study While a number of volumes have appeared that attempt to assess the relationship between the historical Jesus and the Apostle Paul relatively few studies on Paul and the Gospels have been published This volume excellently fills this gap in New Testament Studies and makes a valuable contribution to studies on Christian Origins Pauline research and the Gospels *Apostle of the Crucified Lord* Gorman, Michael, 2017 THIS COMPREHENSIVE WIDELY USED TEXT by Michael Gorman presents a theologically focused historically grounded interpretation of the apostle Paul and raises significant questions for engaging Paul today After providing substantial background information on Paul's world career letters gospel spirituality and theology Gorman covers in full detail each of the thirteen Pauline epistles Enhancing the text are questions for reflection and discussion at the end of each chapter as well as numerous photos maps and tables throughout The new introduction in this second edition helpfully situates the book within current approaches to Paul Gorman also brings the conversation up to date with major recent developments in Pauline studies and devotes greater attention to themes of participation transformation resurrection justice and peace
