Missionary Methods Roland Allen,1962-05-25 We are talking today of indigenous churches St Paul s churches were indigenous churches in the proper sense of the word and I believe that the secret of their foundation lay in his recognition of the church as a local church as opposed to our national churches and in his profound belief and trust in the Holy Spirit indwelling his converts and the churches of which they were members which enabled him to establish them at once with full authority Author s preface to the second 1927 edition

Missionary Methods Roland Allen,2011-05-01 2011 Reprint of 1912 Edition Full facsimile of the original edition not reproduced with Optical Recognition Software Roland Allen a young English missionary first in North China and later in East Africa sought to change drastically the entire colonial and paternalistic system of mission governance He became a leading missionary theorist and a controversial prophetic challenger of the existing order He believed that indigenous peoples should be given control of their own churches including control of finances and responsibility for supporting their own churches Allen completely turned traditional missionary attitudes on their ear In his emphasis on an immediate intense local experiencing of prayer and community he lessened the need for hierarchical control of the institutional church

Church Plantology Peyton Jones,2021-04-20 The first comprehensive textbook on effective church planting from a veteran church planter The Apostle Paul was a veteran church planter who laid a foundation like a wise and master builder and there is much we can learn from

his example Paul indicated that there were basic skills and experiences required to successfully plant a church Church Plantology examines the wide variety of church planting methods and ideologies in contemporary pastoral practice and outlines a biblical model based on the New Testament During his time in prison Paul spent much of his time writing to Titus Timothy and others who d served alongside him in the trenches to complete their training as church plantings We can continue to apply these time tested proven methods following the pioneering example of the early church Today the casualty rate in is high What if we could reduce the odds of failing Church Plantology by Peyton Jones is a robust guide to planting that will help planters to provide the foundation necessary to survive beyond the initial first years so that they don t end up a walking statistic

Missionary Methods, St. Paul's Or Ours Roland Allen, 2017-10-11 Roland Allen entered China on an assignment from the Society for the Propagation of the Gospel to their North China Mission He was later trapped within Beijing during the Boxer Rebellion hiding with other Christian foreigners and fearing for his life Traumatic events in his early life led him to take a new view on his calling as well as the theological standpoint and the methods of evangelising employed by most European churches at the time From the earliest Allen supported the approach of seeding churches which could support themselves grow on their own and perform their own governance activities He advocated the incorporation of local customs into the church and a wider variety of types of Christianity as opposed to churches which only mimicked European counterparts He envisaged better practice involving community leaders in the propagation of Christianity He was even willing to entertain the idea of deploying lay ministers without formal training across unconverted areas Arguing from his conviction that the Holy Spirit would guide new churches in their infancy he accused his contemporaries of patronising condescension In *Missionary Methods* he by turns excoriates missionary techniques and argues for the absolute necessity of proselytising to those who have not yet been able to know Christianity As a well travelled man of strong opinions his position on ethical missionary work is intriguing to say the least About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Mission Affirmed Elliot Clark, 2021-12-22 What will it take to accomplish Christ s mission in our lifetime That s the question evangelicals have been asking for over a century but our efforts to reach the unreached and finish the task have often sacrificed the important for the immediate The greatest challenge in evangelical missions isn t a lack of urgency but a lack of discernment As we ve prioritized movements that are simple and reproducible the gospel and faithful churches are now threatened Our mission itself could be disqualified In *Mission Affirmed* Elliot Clark seeks to reshape our motivation by considering the example of

Paul the missionary The desire for God's approval is what formed his ambition and directed his methods and it should guide ours too In these pages we rediscover how pursuing God's praise can both motivate and regulate our gospel ministries We also refocus as missionaries pastors churches and individuals on what matters more than a mission accomplished a mission God affirms Biblical Ministry Advice Provides a holistic look at Paul's ministry methods and motivation A Great Resource for Church Leaders Helps churches vet and send missionaries First Hand Ministry Insights Provides a practical solution for common weaknesses in modern missions with descriptive examples from the author's experiences as a missionary Published in Conjunction with the Gospel Coalition TGC Essential Missionary Principles Roland Allen, 1913 **St. Paul's Missionary Methods** Roland Allen, 1930 *Practical Anthropology*, 1961 The Missionary Review of the World, 1918 *The Bible and Asia* R.
