A Restaurant

By Sue Peterson

You can go to a restaurant to eat breakfast, lunch, or dinner and even a snack when you want. Restaurants serve food to you and to other people who go and eat at them. First, you look at a menu that lists all of the foods and drinks that you can order from the restaurant.

Then you tell the waiter or waitress what you want to eat and drink. A "waiter" is the word you use for a man and a "waitress" is the word you use for a woman. Those are the people who take your order and bring you your food.

Restaurants cook the food you order. Some restaurants have lots of foods and some have some foods like only salads or soups, hotdogs or desserts. Some restaurants are open part of the day and only serve food at some times of the day. Other restaurants are open all day and serve food all the time.
