Suharjono, 2021-11-30 Through this book we would like to invite you to experience and judge for yourself jamu as a dignified product. This is because jamu is a leading product that does not exist anywhere else in the world. Especially since the globalization period, people revert to the importance of indigenous knowledge on local ingredients. Therefore, owning jamu is an advantage that is inherent to Indonesia. In other words, jamu is a health care legacy for Indonesians. To preserve this legacy, we must be aware of the importance of drinking jamu as a habit. The habit of taking in medicinal jamu can be preserved if its ingredients can be planned, produced, and used properly so that information on its benefit and efficacy can be presented better. In this book, various notes that are available in the country as well as in supporting institution results of research that have been conducted by academics as well as jamu recipes that people need are included. The recipes have been written by leading public figures as well as nobility from Yogyakarta Palace. This book is a must-read for everyone who wants to maintain their health, wellness, and beauty.
