The demand for local fast courier and delivery services is booming. Independent local couriers can provide the services that are in demand like same day deliveries that are just not available from UPS or FedEx. What does a courier do? They pick up and deliver packages, documents, even pets for businesses and individuals. This service is always in demand even in smaller towns as there is always someone who needs a package or document delivered today. A courier service is the perfect shoestring startup as it requires very little money to start. All you need is a reliable vehicle and a smartphone. No formal training is required just the ability to communicate clearly with customers. Your new courier business can be home based. This reduces overhead costs and your only commute is to your next customer.
