Tomorrow 3.0 Michael C. Munger,2018-03-22 With the growing popularity of apps such as Uber and Airbnb there has been a keen interest in the rise of the sharing economy Michael C Munger brings these new trends in the economy down to earth by focusing on their relation to the fundamental economic concept of transaction costs In doing so Munger brings a fresh perspective on the sharing economy in clear and engaging writing that is accessible to both general and specialist readers He shows how for the first time entrepreneurs can sell reductions in transaction costs rather than reductions in the costs of the products themselves He predicts that smartphones will be used to commodify excess capacity and reaches the controversial conclusion that a basic income will be required as a consequence of this new transaction costs revolution
