**Michael Connelly Sampler** Michael Connelly, 1996\* **The Harry Bosch Novels Volume 5.** Michael Connelly, 2012-11 Three great novels in one volume from the worldwide bestseller Michael Connelly. *The Overlook* sees Harry Bosch plunged into the dangerous world of international terrorism. When a physicist is murdered in LA, it seems the killer has no fear of publicity, leaving the body on The Mulholland Overlook, a site with a stunning view over the city. And when it's discovered that the victim turned over a quantity of a lethal chemical to his killer before he died, Harry knows he has more than just a single death to worry about. Alongside the forces of Homeland Security, Harry realizes he must solve the murder or face unimaginable consequences. In *Nine Dragons*, the shooting of a Chinese liquor store owner in LA brings Harry Bosch back to the Rodney King riots and the moment a stranger gave a young cop sanctuary. Now the debt must be repaid, and Harry soon discovers the old man's death was no ordinary holdup. Homing in on clues disregarded by the cops on the scene, Harry builds a picture of corruption and intimidation with the local Triads at the heart of it. But as he tries to build a case and breach the impenetrable wall of silence in the local community, he finds he is taking a dragon by the tail, a dragon whose talons reach well beyond LA and even the States. Suddenly, the most precious thing in Harry's life is under threat, and he will need to leave the familiarity of his home turf alone and without backup if he is going to stop his worst nightmare from happening. Harry Bosch is facing the end of the line. In *The Drop*, he's been put on the Deferred Retirement Option Plan and given three years before his retirement is enforced. Seeing the end of the mission coming, he's anxious for cases. He doesn't have to wait long. First, a cold case gets a DNA hit for a rape and murder which points the finger at a 29-year-old convicted rapist who was only eight at the time of the murder. Then, a city councilman's son is found dead, fallen or pushed from a hotel window, and he insists on Bosch taking the case despite the two men's history of enmity. The cases are unrelated, but they twist around each other like the double helix of a DNA strand. One leads to the discovery of a killer operating in the city for as many as three decades; the other to a deep political conspiracy that reached back into the dark history of the police department.
