## **Open Heavens A Study On The Art Of Intercessory Warfare:**

*Open Heavens* Augusto L. Perez, 2015-08-22 Have you ever wondered why there seems to be open heavens in one city with signs wonders and miracles taking place while in another the heavens appear to be made out of brass as if God is withholding His blessing If we are going to discover the answer to this puzzling question we must go back to the very foundation of the early Church in America that produced earth shaking revivals and giants of the faith such as Jonathan Edwards John Wesley Charles Finney William Seymour and the early Pentecostal and Healing Movements If we have any hope of impacting our cities we must begin by changing the present day condition of the Church In its present weakened condition the Church in America will not be able to change itself let alone impact the cities A paradigm shift needs to take place in the consciousness of the Church to shake them out of their slumber and wake up to the reality that we are in the middle of a spiritual war zone The present religious structure cannot contain the outpouring that is fixing to take place Many high places are going to have to come down and major shifts and changes take place in the Church if it wants to be a part of what God is about to do in the world The Apostolic Reformation that is coming will impact and transform cities and nations as apostolic houses begin to release God's power and authority This is not a pipe dream but the only true foundation upon which God's Kingdom should be built Everything else is but shifting sands that cannot withstand the storms that are about to come against the world Any church that has been built upon any foundation other than the Apostles and Prophets Jesus Christ Himself being the chief cornerstone will not survive the great shaking that is about to take place A reformation will take place on this earth that will shake the Church to its very foundation and prepare the Bride for the return of our Lord Jesus Christ This book is about a topic that is very misunderstood and desperately needed in the body of Christ It was written to help train believers in the lost art of Intercessory Prayer and Spiritual Warfare This book takes you through the four levels of prayer and teaches you with simple yet profound insight how to become a prayer warrior in the kingdom of God If you have been feeling like the Lord is calling you to a higher level in your prayer life and desire to walk under open heavens this book will help you get there Come oh mighty man and woman of God Let the Lord of Hosts train your hands to war the only way we are able to fight this war and win Intercessory Warfare If you feel that God has called you to intercession this book will teach you what you need to know about intercessory warfare and help you to become one of the end times warrior intercessors that will usher in the great double portion outpouring of His Spirit upon this earth **Prophet Margins**

Edward L. Ridsden, Karen Rathmell Moranski, Stephen Yandell, 2004 While poets have traditionally inhabited cultural margins prophets have brought poetic language to the center of cultural debate not foretelling the future so much as diagnosing the present This exciting collection of nine essays examines the range of social and political implications that inflects poetic discourse from the Old English and Latin texts of the Anglo Saxon world to the Scotland and England of the Renaissance Whether saints lives Germanic heroic epics chronicles or satiric poems the works discussed in this book retain their verbal

power if not their political influence into our own time      **Record of Christian Work** Alexander McConnell, William Revell Moody, Arthur Percy Fitt, 1894 Includes music      The Scottish Christian Herald ,1839      *The Saturday Review of Politics, Literature, Science, Art, and Finance* ,1931      Home Words for Heart and Hearth ,1880      **The Saturday Review of Politics, Literature, Science and Art** ,1931      **The Christian Union** Henry Ward Beecher, 1883      **Christian Budget and News of the Day** ,1891      **Outlook** Alfred Emanuel Smith, Francis Walton, 1879      *The Freethinker* ,1897      **The Curriculum and Small Group Resource Guide** Judy Hamlin, 1991      The Boston Weekly Magazine ,1841      The Art of Spiritual Warfare Venatius Oforka, 2018-06-21 Since the beginning of time a fierce spiritual battle has raged between the forces of good and evil Today the spiritual entities of wickedness are winning burdening countless souls in a world lacerated by evil To claim victory God is calling us to engage in spiritual warfare as the only way to save the world from the desolation that is sure to come In these pages theologian Venatius Oforka explains that we are part of a spiritual web through which God acts to save souls No longer does God create out of nothing Instead He achieves His purposes through the prayers and actions we pour in To win such a sophisticated war Oforka introduces us to the supernatural weapons of war and how we can shape the events that affect our earthly and eternal destiny From Father Oforka you will learn How the ministry of intercession can bring salvation to millions of hopeless souls How to frustrate the Devil s evil schemes How to free yourself from the encumbrances of the flesh so you can fully participate in spiritual warfare The two basic actions Christians must undertake to survive evil days The profound advantage you have over Satan and his works How and why God needs intercessors to save souls Why God requires us to act before He steps in The critical role of the angels and the saints in fighting evil The importance of suffering in spiritual warfare Why God needs our prayers to make His Kingdom come The Art of Spiritual Warfare is the one book you need to awaken our world from its spiritual hibernation and to exercise the awesome privilege of working with God in the realization of His Kingdom      *Boston Weekly Magazine* ,1840 Devoted to moral and entertaining literature science and the fine arts containing original and selected tales moral and humorous essays sketches of nature and of society elegant extracts poetry criticism and selections from works of history and adventure      The Index ...
