Narang, 2022-10-06 An objective and dispassionate study of the oldest religion based regional political party the Shiromani Akali Dal participating in the democratic politics and processes of socio economic development and transformation of the country It delineates and analyses events and developments from the emergence of the Akali Dal as a religious movement its transformation into a religious political party concerned with safeguarding the political social and economic interests of the Sikhs as a minority and to represent them in governing institutions engaged in the struggle for power in secular domain mobilising the community support using the ideology of fusion of religion and politics yet lacking equal support from different sections of the
