

A full-page background image showing a diver in a black wetsuit swimming towards a large whale underwater. The water is a deep, clear blue. The whale is dark grey or black, with its white underbelly visible. The diver is positioned to the left of the whale, reaching out towards it. The whale's head is at the top of the frame, and its tail is at the bottom. The overall mood is serene and hopeful.

"Is there hope for the future? Yes, as David Boyd brilliantly demonstrates, because of the energy and commitment of people who know the problems and take action to solve them. And because of the power of the human brain for good when it is in harmony with the human heart."
