This Program Guide is a planning guide to assist churches in honoring and expressing appreciation to the pastor and his/her family. **Church of God Evangel**, 1998      **The Deacon Ministry Handbook** Alan Witham, 2023-01-31 If you ask any pastor what keeps their church moving forward, they will likely point to the serving work of the deacon. These special men are the foundation of healthy churches because of their unique servant leadership role, no matter the church size. Typically, they visit the homebound and the sick, as they care and pray for those in need. Seeing the actions of these servants assists aspiring deacons in understanding what a deacon does, but it does not equate to understanding what a deacon is. Through this book, Alan Witham, Steve Rice, and their teammates bring clarity to the role of deacon by providing a practical guide that serves as **The Deacon Ministry Handbook**. The authors bring decades of local church experience, having served as deacons, pastors, and consultants.

**Church Communications Handbook** Wanda Vassallo, A communications specialist discusses communication in the local church, advertising, talking with the media, communicating with members, and utilizing technology. Includes helpful forms, checklists, and examples from cutting-edge churches.

**Issachar File**, 1999      The National Guide to Educational Credit for Training Programs American Council on Education, 2005 Highlights over 6,000 educational programs offered by business, labor unions, schools, training suppliers, professional and voluntary associations, and government agencies.

Resources in Education, 1985-07      Poetry for Special Events and More..... George Oliver, 2006-01-01 Poetry For Special Events, Church Events, School Events, Workplace, Love, Mystery, and Just for Fun. This book provides assistance for Church programs, school work, and every day life, including workplace and romance.

Christian Education Lawrence O. Richards, Larry Richards, 1988 This is a book that relentlessly pursues defining the goals of Christian education and then offers a plan in keeping with those goals. So many books in the field assume the goals and simply describe the methods. Not so Larry Richards. His biblical and theological analysis conveys an excitement that makes Christian education a mission, not just a responsibility. And still, his approach is eminently practical, insightful, and motivational.
