**Patrick Henry** Coit Tyler,2020-04-30 Originally published in 1887 then revised in 1898 this biography of Patrick Henry is being reprinted to re introduce this staunch defender of liberty and state s rights to a new generation of Americans indeed a generation of Americans much in need of hearing the echo of the words give me liberty or give me death Patrick Henry was truly an American patriot As the first governor of Virginia he will forever hold a place in the American spirit It is appropriate that this famous leader never held a national public office though had many opportunities for he was an anti federalist one who feared the federal system would become too powerful for our own good If Patrick Henry could speak today he might be shouting from every mountaintop I told you so Dispensational Publishing House is pleased to present this timeless piece of history Perfect for students and history buffs or those who are concerned about the power grab that is often seen in national politics Patrick Henry s life is covered from his earliest years to his last days in a thorough readable and enlightening book Though the words were written over 125 years ago and the man had finished his living 225 years ago with a witness to his Savior in his dying breaths this man and these words are a man for our time
