Alexander Beazeley

Pattern Cutting Made Easy A Step By Step Introduction:

Pattern Cutting Made Easy Gillian Holman,2013 Focusing on simple and concise explanations of techniques that can often seem daunting this introduction to pattern cutting starts with the basics and has students and designers alike adding more complex refinements in no time

Pattern Cutting Made Easy Gillian Holman,2013-02-15 Starting with the basic blocks for skirts and bodices and also a jacket and trouser block Gillian Holman shows you how to add the refinements such as necklines collars sleeves yokes flounces pleats peg tops pockets and crossovers Each design element is accompanied by sketches and patterns It is a step by step introduction to the techniques of pattern cutting for fashion students and amateur dressmakers

Cutting and Draping Special Occasion Clothes Dawn Cloake,1998 Learn how to develop basic design blocks to create a wide range of garments then mix and match the elements for something unique for that special occasion Also includes tips on combining pattern cutting with modeling techniques

Cutting for All! Kevin L. Seligman,1996 Containing 2 729 entries Kevin L Seligman s bibliography concentrates on books manuals journals and catalogs covering a wide range of sartorial approaches over nearly five hundred years After a historical overview Seligman approaches his subject chronologically listing items by century through 1799 then by decade In this section he deals with works on flat patterning draping grading and tailoring techniques as well as on such related topics as accessories armor civil costumes clerical costumes dressmakers systems fur gloves leather military uniforms and undergarments Seligman then devotes a section to those American and English journals published for the professional tailor and dressmaker Here too he includes the related areas of fur and undergarments A section devoted to journal articles features selected articles from costume and noncostumerelated professional journals and periodicals The author breaks these articles down into three categories

American English and other Seligman then devotes separate sections to other related areas providing alphabetical listings of books and professional journals for costume and dance dolls folk and national dress footwear millinery and wigmaking and hair A section devoted to commercial pattern companies periodicals and catalogs is followed by an appendix covering pattern companies publishers and publications In addition to full bibliographic notation Seligman provides a library call number and library location if that information is available The majority of the listings are annotated Each listing is coded for

identification and cross referencing An author index a title index a subject index and a chronological index will guide readers to the material they want Seligman s historical review of the development of publications on the sartorial arts professional journals and the commercial paper pattern industry puts the bibliographical material into context An appendix provides a cross reference guide for research on American and English pattern companies publishers and publications Given the size and scope of the bibliography there is no other reference work even remotely like it

Chrysalis Spring 05 Compl Catalogue Anova Books,2004-11 **Making Latex Clothes** Sian-Kate Mooney,2004-02-19 A unique book on the secrets of making latex clothes Ever increasing in popularity with fashion designers and film and theatre costumiers as well as the
