Commandments David Noel Freedman,2002-05-14 In a book certain to be as controversial as Harold Bloom s The Book of J and Elaine Pagels s The Gnostic Gospels David Noel Freedman delves into the Old Testament and reveals a pattern of defiance of the Covenant with God that inexorably led to the downfall of the nation of Israel the destruction of the Temple and the banishment of survivors from the Promised Land Book by book from Exodus to Kings Freedman charts the violation of the first nine Commandments one by one from the sin of apostasy the worship of the golden calf Exodus 32 to murder the death of a concubine Judges 19 25 26 to false testimony Jezebel s charges against her neighbor Naboth I Kings 21 Because covetousness Freedman shows lies behind all the crimes committed each act implicitly breaks the Tenth Commandment as well In a powerful and persuasive argument Freedman asserts that this hidden trail of sins betrays the hand of a master editor who skillfully wove into Israel s history a message to a community in their Babylonian exile that their fate is not the result of God s abandoning them but a consequence of their abandonment of God With wit and insight The Nine Commandments boldly challenges previous scholarship and conventional beliefs David Noel Freedman has been General Editor and a contributing coauthor of the Anchor Bible series since its inception in 1956 He is a professor in Hebrew Bible at the University of California San Diego and lives in La Jolla California **Gleaning in Ancient Fields** Maxine

Forbidden By Organized Christianity James Slobodzien,2014-05-01 Have you ever wondered about the Mysteries of God s wisdom or the secret to knowledge Jesus condemned the religious leaders of his day for taking away the Key to Knowledge Luke 11 52 This remarkable article anthology may have accidentally uncovered some of these ancient mysteries that are now considered TABOO to help you to read and really understand the Bible Less Could the 7 Pillars or dimensions of Wisdom Pro 9 1 possibly be related to the Key to Knowledge Hidden Bible Taboos began as one short essay that just for fun proposed a 7 Dimension Theory of Everything but several readers encouraged me to continue researching it and I soon discovered that it is the nature of the Universe for things to exist in 7 s For example there are 7 types of Matter and 7 forms of Energy in the universe When we consider Time the 7 Day calendar week continues to be universal and immemorial in its observance among all nations and in all times Space our earthly physical space is divided up into 7 Continents 7 Oceans and 7 Seas After studying the multiple patterns of 7s in the universe s numerical DNA I turned my focus to ancient cultures and was shocked to find that in the ancient wisdom writings including Christianity the number 7 stands for spiritual perfection and divine completeness For example the Bible s book of Isaiah mentions the 7 Spirits of God the Father Isaiah 11 2 The Apostle John mentions the 7 Stars of God the Son Rev 1 20 and the Apostle Paul mentions the 7 Gifts of God the Holy Spirit Rom 12 6 8 In addition Zechariah mentions the 7 Eyes of the Lord which range throughout the earth Zech 4 10 This incredible phenomenon of multiples of 7 cannot be explained by chance or human design It is in these 7 Pillars of God s Wisdom that I have experienced a paradigm shift that has opened my eyes to see this divine tapestry to gain a better understanding of the Bible The 7 Dimension articles were written as independent brief essays over a period of 7 years After receiving comments from many readers over the years sometimes secretly a theme became apparent that seemed to be pointing to the fact that these divine truths of the 7 dimensional 7D biblical patterns of 7 were not being taught by the professional religious leaders of Catholic and Protestant Churches because they were forbidden by custom or tradition They are TABOO This compilation of independent articles indirectly provides a historical overview of the ancient world that leads up to the time of Jesus and the Early Church and reveals some Taboos related to sex drugs violence and racism The majority of the Taboos in this book

however are not related to ancient mysterious pagan practices The most significant Taboos in this book are coming from professional church leaders of organized religions of Christianity today who forbid their church members from knowing and practicing what is written in the New Testament and commanded by Jesus and his Apostles Hidden Bible Taboos is a collection of these 7D articles that have accidentally uncovered and systematically integrated ancient religious mythologies archeological mysteries scientific and historical facts and End Time prophecies to reveal the Christian Sun god conspiracy It is not a formal theological treatise on spirituality and or religion as it is a work in progress that is very very far from perfect With the above disclaimer to having and or knowing the absolute truth I would like to present what I believe to be the 7 dimension 7D origins of ancient religious knowledge and ageless wisdom that have been passed down to us by our ancestors So put on your 7D glasses Dedication This book is dedicated to Peter Waldo Founder of the Waldensians and the 50 million other Christians who were persecuted and slaughtered by the Organized Religion of Christianity Papacy in the middle ages and later Spiritual Religious Reading Material Warning The contents of this article anthology may shock and inspire you into developing your spiritual life Don t let yourself or your friends go without reading this life changing book *Tabernacle* Rose Publishing,2013-12-06 The best selling The Tabernacle ebook brings to life the Old Testament teaching on the Tabernacle in the Wilderness of Sinai the place where God promised to dwell among his people The full color ebook features a cutaway illustration that provides an inside look at the Tabernacle The artist s illustration indicates more than 15 important features of the Tabernacle such as the Ark of the Covenant the High Priest and the Sacrifice and how they relate to our relationship with God today through Christ Compared to textbooks on the Tabernacle The Tabernacle ebook is designed and written to be easy to understand and may be used for personal study or by a wide variety of groups The Tabernacle is a tremendous teaching aid and an informative guide to teach on topics such as What it was like to enter the Tabernacle The Pattern of Worship and the furnishings of the Tabernacle How the 12 Tribes of Israel camped around the Tabernacle in a specific order The Ark of the Covenant Old Testament Symbols of Jesus Aaron as High Priest and Jesus as the better High Priest The Tabernacle pamphlet illustration created exclusively for Rose Publishing by renowned Bible artist Stan Stein provides an amazing inside look at the Tabernacle and all its furnishings But this visual teaching aid not only explains the Old Testament Tabernacle in detail it also helps young and old alike understand the symbolic relationship between the Tabernacle and Jesus Christ The content of The Tabernacle offers a wealth of information for the study leader and those they teach including 1 A Numbered Key to the full color Tabernacle illustration includes Bible references and descriptions for each of the following Tabernacle features The Gate of the Court Court Fence Brazen Altar Offerings Laver of Bronze Tabernacle Holy Place Golden Lampstand Table of Showbread Shewbread Altar of Incense Veil Most Holy Place Holy of Holies Ark of the Covenant Mercy Seat The Cloud and Pillar of Fire The High Priest and His Holy Garments 2 An In Depth Description of the Ark of the Covenant A physical description of the Ark Its purpose Where it was placed in the Tabernacle

Homicide in the Biblical World Pamela Barmash, 2005 Homicide in the Biblical World analyses the treatment of homicide in the Hebrew Bible and demonstrates that it is directly linked to the unique social structure and religion of ancient Israel Close parallels between biblical law and ancient Near Eastern law are evident in the laws of the ox that gored and the pregnant woman who is assaulted but when the total picture of the process by which homicide was adjudicated comes into view what is most noticeable is how little of it is similar to ancient Near Eastern law This book reconstructs biblical law from both legal texts and narrative texts and analyses both the law collections and documents from actual legal cases from the ancient Near East

Sexuality and Law in the Torah Hilary Lipka, Bruce Wells, 2020-03-19 This book examines many of the laws in the Torah governing sexual relations and the often implicit motivations underlying them It also considers texts beyond the laws in which legal traditions and ideas concerning sexual behavior intersect and provide insight into ancient Israel's social norms The book includes extended treatments on the nature and function of marriage and divorce in ancient Israel the variation in sexual rules due to status and gender the prohibition on male with male sex and the different types of sexualities that may have existed in ancient Israel The essays draw on a variety of methodologies and approaches including narrative criticism philological analysis literary theory feminist and gender theory anthropological models and comparative analysis They cover content ranging from the narratives in Genesis to the laws of Exodus Leviticus and Deuteronomy to later

re interpretations of pentateuchal laws in Jeremiah and texts from the Second Temple period Overall the book presents a combination of theoretical discussion and close textual analysis to shed new light on the connections between law and sexuality within the Torah and beyond **Law and Law-codes in the Bible** Herbert Chanan Brichto,1977 The Cycle of Sin Francine E.
