Paulo Coelho Philosophy:

A Thematic Study of Life Philosophy in Paulo Coelho's "The Alchemist" Raval Vikas, 2014-01 Life philosophy constitutes one of the most important pillars of life studies. The fundamental task of philosophy of life is to think deeply about the questions what is life and the way of living life. Paulo Coelho is among those writers whose aim of teaching life philosophy means the meaning of life and the way of living life through their works. This book deals with the philosophical and thematic study of *The Alchemist* that talks about a young Andalusian shepherd named Santiago in his journey to Egypt after having a recurring dream of finding treasure there. *The Alchemist* is more self-help than literature. An old king tells Santiago when you really want something to happen the whole universe conspires so that your wish comes true. This is the core of the novel's philosophy and a motif that plays all throughout Coelho's writing in *The Alchemist*.

Values like love for all things, discipline, friendship and learning to listen to our own hearts are the arms with which this warrior confronts the battles we face in the name of personal growth and in the defence of the light. On every page there is an inspirational thought which can be read as part of Paulo Coelho's whole philosophy or used form the basis of a daily meditation. *The Manual of the Warrior of Light* is a handbook that shows human beings how to live as spiritual beings in the material world.
