**AUSTRALIAN
CONFEDERATES**

HOW 42 AUSTRALIANS JOINED
THE REBEL CAUSE AND FIRED THE
LAST SHOT IN THE AMERICAN CIVIL WAR

Book Australian Confederates Terry Smyth

A. Roger Smyth

Book Australian Confederates Terry Smyth:

Australian Confederates Terry Smyth, 2015-08-03 IN the summer of 1865 when a Confederate warship sailed into the port of Melbourne 42 men secretly enlisted to fight for the South in the American Civil War On the notorious raider Shenandoah scourge of the Yankee merchant fleet they sailed off to adventure and controversy and fired the last shot of the war When the Shenandoah a sleek steamer sailer and one of the fastest ships afloat dropped anchor in Hobsons Bay the fledgling colony of Victoria was taken by surprise and the Confederates had no way of knowing whether they would be hailed as heroes or hanged as pirates To the rebels surprise Melbourne took them to its heart Victorians came in their thousands to visit the ship and its officers were feted as celebrities They were wine and dined by the city's elite attended a ball held in their honour mixed it with Yankee sympathisers in a barroom brawl and charmed the ladies of Melbourne and Ballarat with their grand Southern manners Meanwhile in defiance of the law against foreign warships recruiting in a neutral port 42 men were smuggled aboard in dead of night and once at sea signed up to join the Confederate Navy For Australia not yet a nation 1865 was a watershed year in an age of gold rushes bushrangers disputes between rival colonies and fears of foreign invasion For war torn America it was the turning point in the deadliest conflict in that nation's history After the defeat at Gettysburg the tide had turned against the Confederacy but the South was determined to fight on and in the war at sea the Shenandoah was the last best hope The Shenandoah's mission was to damage the North's economy by attacking its commercial fleet and under the command of the enigmatic Captain James Waddell the raider went on to wipe out almost the entire New England whaling fleet On learning that Robert E Lee had surrendered Waddell refused to believe the cause was lost The Shenandoah continued harrying the Yankee fleet and fired the last shot of the war after capturing burning and ransoming 38 Union ships and taking more than 1 000 prisoners On accepting at last that the war had ended the Confederates sailed around the world to England pursued as pirates by Union warships and surrendered to the neutral British Some 120 Australians are known to have fought in the American Civil War on both sides Looking back it is an uncomfortable thought that Australians could sympathise with a society based on the obscenity of slavery yet while officialdom in the colonies backed the Union and British neutrality public opinion generally favoured the South The gold rush era during which the Shenandoah arrived tended to glorify rebel causes and the Southerners had no difficulty finding willing recruits Of the 42 men who signed on in Melbourne as petty officers seamen and marines some returned home others dropped out of sight and one died aboard ship the last man to die in the service of the Confederacy This is their story

Provocations Jeff Sparrow, 2022-08-01 Genuine radicalism provides hope It provokes through a scandalous insistence that life can be otherwise that we aren't doomed to economic and environmental decline and that we can make our future better than our past Why did politicians think an independent slave nation might emerge from northern Queensland Should we clone thylacines How did a sociopath spur the first European architecture in Australia What was bicycle face and how did it relate to feminism Jeff Sparrow has been described as one of

Australia's most crucial political thinkers With restless curiosity his writing takes us from ancient tortoises to the psychology of gun massacres from queer bushrangers to Enid Blyton and from atheism to vampires to dachshunds Provocations brings together Jeff Sparrow's best writing from the last two decades alongside important new work Challenging humane and inspiring Jeff Sparrow's writing makes me think laugh and shake my fist at the sky with rage He explains and critiques and illuminates our messed up world with moral clarity and humour allowing even a dum dum like me to get my head around what the hell capitalism is doing to us all and why it must be stopped Tom Ballard Jeff's writing is not always comfortable but it's absolutely necessary peering into the cracks too many of us pass by and revealing them for the chasms they are But what sets him apart is the unflinching hope he offers at the same time Jeff shows us the world our world can be so much better if only we were more willing to face it as it is now and fight for what it could be Drench yourself in his words and find your cause Amy Remeikis Jeff Sparrow has a profoundly thought provoking way of presenting the truth Thomas Mayor Reading Jeff Sparrow is always like having a conversation with the smartest person in the room He's essential Chloe Hooper Jeff Sparrow is a critical voice for justice in an increasingly sparse field As mainstream journalism teeters between commercial clickbait and dreary stenography take a moment to celebrate the determined independence that he brings to his work This is a timely retrospective balancing a sharp eye for domestic political dynamics with an internationalist worldview fresh fierce and uncompromising Scott Ludlam Sparrow is the most effective and consistent communicator of left wing thought to a mainstream Australian audience of the past twenty years Sydney Review of Books Sparrow is one of Australia's leading public intellectuals SALIFE He's one of Australia's most crucial political thinkers Saturday Paper

Korea and the Evolution of the American-Australian Relationship, 1947-53 Daniel Fazio, 2023-09-29 Fazio examines the significance of the US Australian Korean engagement 1947-53 in the evolution of the relationship between the two nations in the formative years of the Cold War In the aftermath of World War Two divergent American and Australian strategic and security interests converged and then aligned on the Korean peninsula Fazio argues that the interactions between key US and Australian officials throughout their Korean engagement were crucial to shaping the nature of the evolving relationship and the making of the alliance between the two nations The diplomacy of Percy Spender John Foster Dulles and James Plimsoll was particularly crucial He demonstrates that the American evaluation of the geo strategic significance of Korea was a significant factor in the making of the ANZUS alliance and events in Korea remained central to the evolving US Australian relationship Their Korean engagement showed the US and Australia had similar and overlapping rather than identical interests and that their relationship was much more nuanced and problematic than commonly perceived Fazio challenges the Australian mythology on the origins of the ANZUS Treaty and presents a cautionary insight into the limits of Australia's capacity to influence US policy to benefit its interests An insightful read for diplomatic historians providing greater depth to understanding the broader historical context of the trajectory of the US Australian relationship and alliance since the
