Food Freedom Robin Greenfield, 2024-06-01 Food Freedom is an experiment in the gift economy and we offer it to you on a donation basis Please visit <https://www.robingreenfield.org/shop/foodfreedom> to learn more and order a copy Ten years ago Robin Greenfield awoke to the destruction of the industrial food system Since then he has been deeply exploring the food we eat often through immersive activism which led to one of his most burning questions could he step outside of the food system completely and grow and forage 100% of his food In Food Freedom he shares his adventures of living without grocery stores or restaurants Nothing packaged processed or shipped not even multivitamins supplements or spices Within the city of Orlando Florida he turned lawns into abundant gardens with a biodiversity of over 100 plant species He foraged 200 species of plants and mushrooms from nature experimenting with food as his medicine Follow Robin on an emotional journey as he explores Growing and foraging to deepen his connection to local food and establish a relationship of reciprocity with the land The industrial food system that likely brought you today's meal How communities are taking back control of their food and creating food sovereignty How you too can grow your own and forage to gain food freedom The good food revolution is not a lonely path Millions have embarked on the journey and are waiting for you to join them Question your food Uncover the truth Liberate yourself through relationships with our plant community 100% of profits after book distribution are donated to Gardens of Liberation supporting Indigenous and Black led food sovereignty initiatives

Social Entrepreneurship and Corporate Social Responsibility Joan Marques, Satinder Dhiman, 2020-07-05 This book provides professionals as well as students with the understanding that Social

Entrepreneurship and Corporate Social Responsibility CSR are now core business principles for sustainably It encourages social entrepreneurs in their role as forerunners in creating new business models that develop facilitate or implement constructive solutions to social cultural and environmental issues At the same time this book views corporate social responsibility as a means of challenging existing entities to realize and modify prior unsustainable and predatory business models and to increase social cultural and environmental accountability By linking these two concepts this book prompts a paradigmatic awakening whereby the foundational driver of business creation and management no longer rests on profit maximization but on improvement of the quality of life for society
