Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e.g. Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety

of perspectives allowing you to browse or find the one source accurately and with ease **Theography** Rev. Jeff Wilkinson,2025-07-31 The idea for this book originated in Playa del Carmen Mexico My wife Lowry and I were vacationing when we met a charming European couple We were poolside under the palm trees when the conversation turned to spiritual matters The gentleman I believe his name was Peter informed me that he didn t believe in God How could so much evil exist in the world if there was a God I was considering my reply when we both heard a small child laughing and giggling in the pool We both smiled and I started looking around We were sitting under a palm tree watching the ocean enjoying each other s company It occurred to me that if we are going to blame God for the bad things of this world we have to give Him credit for the good I believe that God intervened with my response to that gentleman I m certainly not wise enough to come up with that response on my own It made me reflect on my own life I was not living the kind of life that honors God at that time God patiently teaches us He also forgives guys like me who had fallen away The Lord drew me back to Him He also led me to a pastor and church that have helped me grow into my ministry and calling I pray this little book will help us all recognize that God loves us even in a fallen world This fallen world still has sunsets children laughing and smiles from strangers These are all good things that God uses to remind us that He is still around He still loves all of humanity He has proven that love to us through His son Jesus Christ **Jesus Now** Frank Viola,2014-05-01 During His ministry on earth Jesus of Nazareth spent most of His time healing the sick casting out demons training disciples teaching the people and preaching the kingdom of God But what is Jesus Christ doing today What is His present day ministry In Jesus Now bestselling author Frank Viola gives us the first comprehensive treatment of what Jesus has been doing since His ascension until His second coming In an easy to read format Viola explores the seven aspects of Christ s ministry today and shows how each one benefits the saved and the unsaved Open these pages and discover what the Lord Jesus Christ is doing now and how it will impact your life **Jesus Speaks** Leonard Sweet, Frank Viola,2016-08-09 Are you hungry to hear God s voice but don t know how Jesus Speaks teaches readers how to listen for the voice of Jesus and how you can grow in your ability to recognize and respond to his voice daily While the Lord frequently speaks to us we don t really hear his voice until we recognize it In Jesus Speaks Sweet and Viola unpack the many ways the Lord speaks to his people today by exploring how the disciples interacted with the risen Jesus from the Gospels to Revelation They demystify the process in a warm practical way providing insights on how you can recognize the voice of Jesus in your own life Separated into two sections the first provides a big picture look at how the resurrected Jesus spoke in the New Testament while the second contains short actionable chapters filled with scriptural quotes and references Both sections work together to help you recognize and respond to the voice of Jesus in your everyday life Readers will be able to Gain a firm foundation in the scriptures learning how Jesus spoke to his disciples Dispel myths and misinformation surrounding what it means to hear the voice of Jesus today Grow the ability to recognize God s voice and learn how to respond Essential for Christians seeking to improve their relationship with Jesus Jesus Speaks is the long

awaited third volume in the JESUS trilogy Jesus Manifesto Jesus A Theography and Jesus Speaks **Talking Book Topics**

Briggs,2020-09-08 The widening of political racial generational and religious differences leads too often to an us vs them mentality The Sacred Overlap communicates a refreshing vision that embraces tension and shows us how to live in radical love and faithfulness between the extremes that isolate and divide people The gospels display how Jesus was committed to crossing the either or waters of the cultural and societal wars of his day His miracles and parables often broke or ignored religious and political lines that seemed all important He comforted the disturbed and disturbed the comfortable Using Jesus example J R Briggs offers a fresh and relevant understanding of evangelism and discipleship in our present time of extreme polarization Without sacrificing biblical integrity The Sacred Overlap is a joyful exploration of the complexity of life in the peace of Christ With careful discernment Briggs Shares creative ways to engage with God s mission of ministering to those who are intrigued by Jesus but turned off by church Explores what it means to be joyful in the midst of heart wrenching pain and earthly suffering Models what it means to maintain a posture of convicted civility which emphasizes both grace and truth The Sacred Overlap helps readers see how Christians are called to live with their feet firmly planted in two different worlds in both heaven and earth living naturally with both the sacred and the ordinary Only then can a Christian be a faithful witness and disciple of Jesus

Insurgence Frank Viola, 2018-06-05 Why does the allegiance that radical terrorists give to their false cause exceed the allegiance that most Christians today give to Jesus Christ In *Insurgence* bestselling author Frank Viola presents a radical proposal for Christians Namely that we have lost the explosive earthshaking gospel of the kingdom that Jesus Paul and the other apostles preached Viola argues that we ve lost this dynamic titanic living gospel and exchanged it for a gospel of religious duty or permissiveness and easy believism In today s politically charged era Christians on the progressive left as well as the conservative right both equate their particular viewpoints with the kingdom of God Viola challenges and dismantles these perspectives offering a fresh and revolutionary look at the gospel of the kingdom Viola writes with gripping power challenging Christians to embrace an unparalleled allegiance to Jesus Christ and his kingdom This high octane message is being reclaimed today launching a spiritual insurgence
