## About Independent Day Speach:

**A Brief History of the Present** Hilal Ahmed, 2024-07-22 Present day political discourse swings between two contrary positions on the issue of Muslims Hindutva politics categorizes Muslims as a monolithic religious group to substantiate Hindu homogeneity. The liberals on the other hand claim to protect Muslims as a religious minority to defend Indian democracy if not secularism. In both cases Muslim identity is envisioned as a one dimensional phenomenon. **A Brief History of the Present** attempts to go beyond the obvious to rethink the role of minorities specifically Muslims in the New India that has revealed itself since 2014. By diving deep into the complexities of Muslim identity and its role in everyday life while at the same time viewing the Muslim communities through a historical lens the author attempts to provide a far more accurate picture of Indian Muslims than what is perceived currently. Through the author's interpretation of a wide range of quantitative and qualitative sources and his long experience as an observer of the Indian political scenario for more than three decades the book presents a deeply considered view of a burning question the current status of Muslims in India. [Azad Hind](#) Subhas Chandra Bose, 2004 A collection of Subhas Chandra Bose's writings and speeches 1941-1943. **370: Undoing the Unjust** BlueKraft Digital Foundation, 2025-08-08 The most definitive account of how Article 370 was abrogated. The inside story of how Prime Minister Narendra Modi turned the seemingly impossible into a reality. An eye opening read on the damage Article 370 inflicted on Jammu and Kashmir. A book that will interest diverse readers including students scholars and historians. Introduced in October 1949 Article 370 turned out to be a long standing permanent temporary provision till 5 August 2019 when it was abrogated by the Parliament of India.

The article has been subjected to intense debate and much discussion over the years Those who supported it cited Jammu and Kashmir's unique situation in 1947 while those who opposed it questioned how one nation could have two constitutions two flags and two sets of rules The naysayers also questioned its reductive aspects the denial of basic rights to the poor scheduled caste and scheduled tribe communities and women But whichever side one stood on the conventional belief for sixty five years since Independence was that Article 370 can never be repealed But then came 5 August 2019 when the supposedly impossible became a reality 370 Undoing the Unjust A New Future for J K takes the reader through the minute and meticulous planning that ensured seamless execution of the decision Removing Article 370 not only needed strategic planning and political will but also mammoth logistical preparations Every single aspect would have to be addressed or else the region especially the Kashmir valley would plunge into chaos The book offers a glimpse of Prime Minister Narendra Modi's thought process insights into his leadership and most importantly his vision for Jammu and Kashmir By ensuring that Article 370 is repealed Prime Minister Modi altered the course of history But along with that he also fulfilled the decades old commitment of the Bharatiya Janata Party Deeply researched anecdotal and unputdownable this book fills the gaps on scholarship around an iconic moment of Indian history *Atal Bihari Vajpayee* Sujata K. Dass,2004 This compilation of speeches of A B Vajpayee encompass a large number of subjects associated with him as the Prime Minister of India His successful years as the PM role in parliament views on industry National Commission on Population India Economy Summit 1998 Child labour emphasis on Indianess have been dealt with in great details
