*Fintech Wars* James da Costa, 2024-10-03 Fintech touches every part of our lives from cashless economies to crypto and even our climate. This book draws back the curtain on this fascinating world full of friction, failure, and fortune. *Fintech Wars* delves into one of the world's most lucrative and fast-growing sectors. Witness the bold strategies, groundbreaking innovations, and relentless drive that propelled fintech unicorns like PayPal, Nubank, and Monzo to transform the world. Featuring interviews with generational founders including Reid Hoffman, LinkedIn's Nigel Morris, Capital One's Martha Lane Fox, and Lastminute.com's narrators, this book has built companies that represent over one trillion dollars in market capitalization. As the founder of a digital bank, James da Costa is a fintech insider. He draws upon his network and first-hand experiences to offer a fascinating look into the intricacies and motivations behind building billion-dollar disruptors. Step into the fascinating, unpredictable, and inspiring world of fintech.

*The Disruption Continuum* Alexander Manu, 2025-08-14 The Disruption Continuum explores the profound and ongoing forces that drive societal transformation in our era of relentless technological change. Examining pivotal historical moments reveals that disruption is not a one-time occurrence caused by a disruptor event or technology but a continuous, evolving process.

With cash becoming a thing of the past many companies are trying to appease such a new age phenomenon These apps allow you to enjoy a night out with dinner and a show with friends without having a dime in your pocket Venmo is one such app It is a digital wallet that gives users the opportunity to send money from your bank account for free to either pay bills or repay a friend by sending money back to their Venmo account It came about in March 2009 as a system through which funds could be paid through text messages and is said to be safe for users but has since been refined and is now very popular among the social class

**Swipe to Unlock** Neel Mehta,Parth Detroja,Aditya Agashe,2017

WANT A NON CODING JOB AT A TECH COMPANY Interested in product management marketing strategy or business development The tech industry is the place to be nontechnical employees at tech companies outnumber their engineering counterparts almost 3 to 1 Forbes 2017 You might be worried that your lack of coding skills or tech industry knowledge will hold you back But here s the secret you don t need to learn how to code to break into the tech industry

Written by three former Microsoft PMs Swipe to Unlock gives you a breakdown of the concepts you need to know to crush your interviews like software development big data and internet security We ll explain how Google s ad targeting algorithm works but Google probably won t ask you how to explain it in a non technical interview But they might ask you how you could increase ad revenue from a particular market segment And if you know how Google s ad platform works you ll be in a far stronger position to come up with good growth strategies We ll show you how Robinhood an app that lets you trade stocks without commission makes money by earning interest on the unspent money that users keep in their accounts No one will ask you to explain this But if someone asks you to come up with a new monetization strategy for Venmo which lets you send and receive money without fees you could pull out the Robinhood anecdote to propose that Venmo earn interest off the money sitting in users accounts We ll talk about some business cases like why Microsoft acquired LinkedIn Microsoft interviewers probably won t ask you about the motive of the purchase but they might ask you for ideas to improve Microsoft Outlook From our case study you ll learn how the Microsoft and LinkedIn ecosystems could work together which can help you craft creative impactful answers You could propose that Outlook use LinkedIn s social graph to give salespeople insights about clients before meeting them Or you could suggest linking Outlook s organizational tree to LinkedIn to let HR managers analyze their company s hierarchy and figure out what kind of talent they need to add We ll further explore both ideas in the book Either way you re sure to impress Learn the must know concepts of tech from authors who have received job offers for Facebook s Rotational Product Manager Google s Associate Product Marketing Manager and Microsoft s Program Manager to get a competitive edge at your interviews
