Haters Going to Hate Mae Barrett, 2019-07-26 Haters we all have them and not only that but sometimes your biggest hater could be your closest friend People sometimes can pretend very well I never gave anyone a reason to hate me People sometimes create their own little drama out of jealousy You shouldn't ever let other people's opinions affect what you do in life Sometimes we have to love our haters from a distance If people would love more and hate less this world could be a better place Stop giving your haters the power to steal your inner peace There was a time when my haters were trying to criticize me for my flaws and my mistakes but the sad part is how can you downgrade someone else when you do not have it together for yourself It's really sad when others look for ways to destroy someone else's life At some point our haters want to see us do well but when you outdo them they can't take it Listen you cannot let anyone come into your life trying to discourage your ambitious attitude Just keep moving forward and don't worry about who is hating on you Do what you have to do for you
