

The background of the cover is a dark, artistic illustration of various microorganisms. In the upper left, there's a complex, multi-layered structure resembling a cell or tissue. Below it, a vertical, textured column of white particles, possibly a virus or a protein filament, extends downwards. To the right of this column, there are several spherical, textured structures, some with a grid-like pattern. In the lower right, there are two large, oval-shaped structures with a purple and yellow internal pattern, surrounded by a dense layer of red and green particles. The overall style is scientific and artistic.
