

The background of the cover features a detailed illustration of various microscopic organisms. On the left, a large, elongated, yellowish structure with a red interior is visible. In the center and right, there are several spherical, greenish-yellow structures, some of which contain internal red and orange components. A network of thin, yellowish, branching structures is also present, resembling a fungal hyphae or a complex cellular network. The overall color palette is dominated by yellows, oranges, and greens against a black background.
