

High Schooler Decision Making

Decision Making

High schoolers consider many different factors when making decisions. For most, these factors are external to them. In other words, they are influenced by things outside of themselves, such as family, friends, and society. These factors are often called *external influences*. These factors can be positive or negative. Some factors are positive, such as family and friends, while others are negative, such as peer pressure. These factors can be <https://www.google.com/search?q=external+influences+on+high+school+students>.

There are many different external influences that affect teenagers' decisions, such as peer pressure, family, and society. These factors can be positive or negative. Some factors are more influential than others, such as family and friends, while others are less influential, such as peer pressure. These factors can be positive or negative, but they can also influence the way teenagers make decisions.

Family Influence

One of the most important influences on teenagers' decisions is family. Families play a major role in teenagers' lives, providing guidance, support, and love. Families also provide teenagers with a sense of security and stability. Families are the first place where teenagers learn about the world around them. Families also provide teenagers with a sense of belonging and a sense of identity.

Society and Peer Pressure

Society and peer pressure are also important influences on teenagers' decisions. Society provides teenagers with a sense of belonging and a sense of identity. Society also provides teenagers with a sense of security and stability. Society also provides teenagers with a sense of belonging and a sense of identity.

- Families are the most important influence on teenagers' decisions. They provide guidance, support, and love. Families also provide teenagers with a sense of security and stability.
- Society and peer pressure are also important influences on teenagers' decisions. Society provides teenagers with a sense of belonging and a sense of identity.
