## Reading Meets Play ... on the Farm!

## Hours of Farm-Themed Fun

For young children, learning and playing are one and the same. *My First Farm Friends: Books in a Barn*, by Sophie Blackall, allows children to do both, using a single, portable read-and-play set.

This charming set contains four illustrated board books, each depicting a day in the life of iconic farm animals — pigs, goats, cows, and chickens. The books are packaged in an adorable and durable carrying case that doubles as a play barn. Stand-up figures of the featured animals can be enjoyed in and around the barn.

Rich pencil-and-watercolor characters bring all the nursery rhyme scenes of the barn to life. The illustrations are based on hand-drawn simple words that are easy to build a young child's growing vocabulary. Depictions of scenes between animal interactions — bickering and milking, reading and herding — invite young children to make a strong emotional connection with the animals.

When the stories are finished, children can create their own barn yard and play with the stand-up figures in and around the barn. An adorable combination of books, barn, and animal toys, *My First Farm Friends: Books in a Barn* provides hours of farm-themed fun. The set makes an adorable gift package and is ideal for baby showers, birthday presents, and wildlife birthdays.
