My First Message The Christmas Story:

The Christmas Story Eugene H. Peterson, 2008-09-15 Experience Christmas like never before My First Message The Christmas Story is for kids and their parents *Smashing Kings* Michael Greene, 2003-08 Her true love went to the other side of the galaxy and then she had to rescue him Hanna Wise an average college girl to everyone else has a dark past closely guarded in secrets Nothing seems to be going right for Hanna until she sees her true love a moment she knows has been blessed by Fate Her true love s name is Gilbert But as bright as her love at first sight seems winning Gilbert s heart will take her to the other side of the galaxy where nothing is sacred Nothing makes sense and bits and pieces of a mystery come together as if Hanna is in a dream almost clear yet the truth is so far away and keeps changing The only thing keeping her going is her love for Gilbert But if she isn t careful of everything happening around her then her love for Gilbert will get her killed *Smashing Kings* is the second book in the *Smashing Doves* Trilogy For more information on this series or other books by Michael W Greene visit www.michaelwgreene.com *Hidden Enemies in the Ministry* Pastor Ron Keller MA, 2023-04-26 The Christian ministry can be so complicated that no pastor is totally prepared for what is about to hit them There are situations that arise one never anticipates Pastor Keller believes he has faced them all and he shares them in his book on *Hidden Enemies in the Ministry* Keller has had to lock horns over legalism face a charismatic invasion that split his church be fired for doing what he said he would do when he was hired deal with witchcraft and the occult within his own congregation have an outside pastor try to steal his ministry ignorantly allow liberalism to get a foot in the door be accused of immoral behavior and worst of all try to minister when his wife was dying of cancer Keller tells how he dealt with all these situations and does so with other pastors in mind as his desire is to share his lifetime experiences so others do not fall into the same traps Keller is also concerned about the the silent pulpit and the fear of pastors to preach the whole council of God and that includes the moral political issues that are destroying our nation issues like abortion critical race theory the social justice movement Too many pastors are too politically correct in their preaching that their compassion for their flock is more important than telling the truth It has been said of those who have read this book that it ought to be required reading in the practicum department of every Bible college in America Experience gives one far more wisdom for ministry than what is learned in seminary It is my hope and prayer that *Hidden Enemies in the Ministry* will better equip you to be a more successful servant of Christ in fulfilling His calling on your life **Catalog of Copyright Entries, Third Series** ,1951 The record of each copyright registration listed in the Catalog includes a description of the work copyrighted and data relating to the copyright claim the name of the copyright claimant as given in the application for registration the copyright date the copyright registration number etc **Catalog of Copyright Entries** Library of Congress.
