My Return To Planet Earth:

My Return to Planet Earth Peter Lewis Atkinson, 2015-09-07 Jake a teenage boy from Earth has a chance encounter with three enchanting teenage girls from another world He is willingly smuggled aboard their spacecraft without the knowledge of their mothers and there begins his life with his new family on the planet Alkarr His incredible adventures include the pirate incident and his participation in the evacuation of an Alkarren colony facing an ongoing disaster culminating in being given the privilege of initiating first contact between the Alliance of independent worlds and the people of his home planet Earth The Return of Planet-X Jaysen Q. Rand, 2007 The Return of Planet X is an educational informational source examining all aspects of this controversial subject including the record of X s Ancient Science of Prophecy its Phantom Astronomy Forbidden Archaeology and the Signs Of Its Approach This book examines the history and prophecy of Earth s many cultures throughout the millennia and their voluminous references to the reality of X s periodic passages The most current hypothesis used to examine X s next return through the solar system centers around the fact that X s extended orbit approximately every 3 600 years first passing through the solar system then back out again suggests that its destructive cycle occurs in two phases The first phase begins with X s initial pass through in 2009 separated by three years until its second phase This passage marks X s return leg back into deep space beginning again its 3 600 year long trek through the heavens X s last return visit through the solar system most likely coincided with the Hebrew s exodus from Egypt estimated around 1447 BC roughly 3 459 years ago Did God somehow come to Moses aid by staging a cosmic event that no one today understands The Mayan Celestial Calendar Codex inexplicably ends 21 December 2012 According to ancient Mayan cosmology time as we know it on Earth will reach its climax on that date Written across the scroll of time and space the author believes Planet X will first return in 2009 and again in 2012 **My Return to Planet Earth** Peter Lewis Atkinson, 2018-01-28 Jake a teenage boy from Earth has a chance encounter with three enchanting teenage girls from another world Jake is then willingly smuggled aboard their spacecraft without the knowledge of the girls mothers His incredible adventures take him into various situations and incidents along the way The people of Earth are far from ready for a first contact situation let alone Earth ever being considered as a prospective new member of the Alliance of Independent Worlds Earth is facing a very great danger Should steps now be taken The Chronicles of Jake Book 1 This is book 1 of a planned 3 book trilogy **Phaeton** Chris Sefer, 2025-03-25 Thomas Phateon realizes he is really in trouble when he finds himself strapped to a chair in a New York psychiatric hospital with no memory of how he got there The last three days of his life seem to have been washed away His last memory Finding himself on a rooftop because he was on the run from someone As if that were not enough before him stands Dr Lewis a psychiatrist who claims to want to help him regain his memories delving into his memory and his life on a journey that threatens to unearth secrets and realities that perhaps no one not even Thomas himself is able to accept Yet this is just the beginning of a journey a mysterious one in which the protagonists will

soon have to choose sides in order to adjust to these new realities and in some instances fight to survive Chris Sefer whose real name is Armen Safaryan is an architect and a writer who grew up in a family immersed in creativity As the son of an artist he was surrounded by such inspiration that he developed a strong passion for creating Indeed this held true for Chris with two higher education degrees over the course of fifteen years he completed more than seventy significant architectural projects As the author of *Phaeton* he firmly believes that the human imagination knows no boundaries a conviction that serves as the foundation for his novel transferring readers to a realm of extraordinary and fantastical events *Narrow Places of the Heart and Mind, (Earth Heart, Martian Mind)* Cliff Rhodes, 2007-07 Soft Cover print I designed this front cover myself has some violence and mature inuendos Rated Teen A lone agent looking for a key to uncover a mystery of great world shaking proportions has ventured into unknown territory that no one else has returned from His mind his training and his dedication are all that hold him to his quest to make contact and take advantage of a mysterious hidden culture He is swept up into a new world he is not prepared for and has to survive to save the Earth from destruction Her eyes were so intense that for a moment I thought she had seen me but it was something else The quick movements all of them made were inhuman more like hyper robotic They were all female but they moved almost as if they were electronic It was astonishing the movements they made They were robotic They had to be Nothing human could move that way or want to comfortably

Upon My Return to Planet Earth Brian Lawson, 2017-08-31 This series of poems tells the story of an astronaut that returns to Earth to find society has deteriorated as a result of the media technology and government corruption

Alignment Asher Intrater, 2024-04-02 FOREWORD BY FRANCIS CHAN If we don't align with God's Word we miss the kingdom He is establishing here on earth as it is in heaven Once you read this book you will understand how true alignment with God means submitting to His order so He can establish His Kingdom on earth Even as the world grows darker and moves into the difficult events of the end times Messianic Jewish author and Bible teacher Asher Intrater gives reason for hope pointing to a corresponding revival with signs and wonders that emulate the Book of Acts In this revised and updated edition Intrater will take you on a captivating scriptural journey to reveal what happens as the Messianic remnant is established in Israel and the international church embraces its Jewish roots This long awaited alignment will release an outpouring of the Holy Spirit leading up to the second coming of Yeshua Jesus In addition today Christian Arabs and Messianic Jews are being reconciled into a restored Abrahamic family of faith demonstrating the love of God in the midst of political tension in the Middle East You'll be inspired and challenged as you discover how this synergy within the body of believers is advancing God's eternal purpose for the kingdom of Messiah on earth with its capital in Jerusalem **Dial Love** Donna Lynn, 2013-01-17 Much like Neale Donald Walsh's *Conversations with God* except this time God provides a manual with instruction for those interested in making a clear connection to his divine guidance This extraordinary dialogue conveys an unmistakable message of truth The Divine Intelligence Almighty Love Light Omnipresent Vibrational Energy is a channeled
