

**Graduation Speech – Class of 2015
Saint Xavier High School - May 17, 2015**

Graduates:

Welcome to this Day and to the meaning behind the dignity of this ceremony as you join the ranks of Saint Xavier's alumni.

You have been school leaders at an historical time as we concluded the celebration of the school's 150th Anniversary. Reflect for a moment on that history, on those who have gone before you, developing the philosophy, programs and facilities and paving the way for the opportunities you have had and the experiences we have shared. Soon it will be your responsibility to ensure a St. X experience for other students and that such opportunities are there and even better for them.

Then reflect one more time on our theme for the year:

Together, we dream, we believe and we achieve. Those who walked the halls, took the classes and were part of the teams and activities before you continued to dream, developing a vision for what St. X has become and achieving in ways that propelled our school forward. And all along the way, they believed faithfully that God would walk with them and provide even more opportunities to learn, know, love and serve.

You have continued the traditions, stretched the vision and walked together in faith in all that we have asked you to do.

Incredibly Blessed Father Eugene Brown,2025-09-12 An 89 year old Roman Catholic priest from Minnesota fell in church and required surgery to repair a neck injury During his recovery in a rehabilitation facility he did not dwell on bad luck or misfortune but instead reflected on how blessed his life had been Born in Indiana he arrived in Minnesota in a shoebox at just three weeks old and grew up on a farm during the Great Depression The smallest boy in his class and extremely shy he first felt the call to the priesthood in sixth grade at his Catholic school He attended high school and two years of college at a minor seminary in St Paul where he gradually overcame much of his shyness He then continued his studies in philosophy and theology at a major seminary in St Paul before being ordained as a priest His ministry took him to parishes in western Minnesota and to chaplaincy roles in Catholic nursing homes Over the years he traveled extensively visiting Rome the Holy Land and a mission parish in Guatemala His journeys also took him to 22 countries including the Galápagos the Amazon the Antarctic Peninsula and Easter Island This is the story of a life filled with challenges adventures and countless blessings

RETURN Dr. Ahuva Krell Goldenthal,2010-11-08 Some people think that the more mature we get the easier we can bond with new friends Others believe that the older we get the more challenging relationships become With age we might be less flexible and more set in our ways Lonely people often tend to regress to their childhood years They become almost like children that seek their mothers' nurturing and love By reaching out to others for attention or love we expect to get this nurturing feeling that we are seeking in return Those who accept and embrace certain realizations have a greater chance for long term success with partners friends and employers For an older person that has a possessive jealous streak could be challenging meeting new friends It is always better to choose compatible friends to communicate and spend quality time with Boring and nosy friends are nothing more than a disaster in a friendship Try to get along with relatives and neighbors If you find it difficult to change sceneries meet new people in your community take a walk in a park enjoy nature and meet other nature lovers
