ALERT: Before you purchase check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. This package consists of the textbook plus an access kit for MyMathLab/MyStatLab. By teaching with an emphasis on real world applications, *Applied Basic Mathematics* Second Edition offers students a refreshing perspective on basic math. Authors Clark and Brechner open every chapter with an application and close every section with *Apply Your Knowledge* examples. The authors pair this emphasis on applications with learning tools like *Guide Problems* and the *Ten Minute Chapter* resulting in a text that encourages students to relate, reinforce and review as they learn. MyMathLab provides a wide range of homework, tutorial and assessment tools that make it easy to manage your course online.
