Director Pneumonia Vaccine Pressure Ulcers Professional Communication and Sexual Harassment Quality Assurance  
Director Job Description Range of Motion Resident Assessments Resident Rights Restorative Nurse Job Description  
Restraints Program Skin Care Smoking Staff Development Director Job Description Standard Precautions Suctioning  
Therapeutic Environment Toileting Programs Tracheostomy Care Transfers and Lifts Tuberculosis Testing Turning and  
Positioning Urinary Catheter Care Urinary Catheter Insertion Wandering Weight Loss Workplace Violence The seventy five  
nursing policies and procedures in this manual are based on current standards of nursing practice and federal regulations  
and guidelines from the Centers for Medicare and Medicaid Services the Center for Disease Control and the Occupational  
Health and Safety Administration The Director of Nursing can review and update the manual annually Some facilities have a  
policy and procedure committee that meets to review and consider changes to policies The form at the top of each policy and  
procedure has spaces for the date the policy and procedure was approved by the DON and the date of any addendums or  
changes Updates can be made when applicable due to changes in regulations or nursing standards of practice Other  
appropriate additions to the manual would be manufacturer guidelines and instructions for new equipment and devices Some  
facilities include with the policy and procedure manual master copies of forms and this can help to ensure uniform  
documentation throughout the facility Each of the policies and procedures in this book are also included on the CD so they  
may be easily edited on a word processor for desired updates and changes      Mastering Documentation Springhouse  
Corporation,1995 The complete guide for streamlining and improving nursing documentation for virtually every system  
Nurses will find instructions for virtually every common and not so common charting method From progress notes to  
protocols there is a wealth of easy to follow examples throughout the book Includes JCAHO approved nursing abbreviations  
ANA standards of practice and JCAHO and Medicare guidelines for nursing documentation      *Nursing Documentation* Sue  
Meiner,1999-05-06 Focusing on the legal implications in the US this book is designed to meet the needs of professional and  
student nurses in determining how they should be recording their practice      **The Complete Care Plan Manual for  
Long-term Care** Connie S. March,1997 This revised edition updates the classic toolkit for developing plans in the field of  
long term care that meet HCFA s increasingly complicated standards make the most of staff time and ensure the quality of  
individualized care Essential for all types of service including adult day care and nursing homesthis hands on workbook s  
simple format shows how to create care plans that address patient centered outcomes and offers varied approaches to  
achieving goals from the many perspectives of a multidisciplinary team The Complete Care Plan Manual for Long Term Care  
Revised Edition features the most recently published NANDA listing of nursing diagnoses and offers the flexibility needed to  
meet JCAHO requirements This practical handbook also correlates with MDS 2 0 and the Resident Assessment Protocol  
which HCFA mandates for each resident in a Medicare Medicaid certified facility      **Nursing Interventions & Clinical  
Skills** Martha Keene Elkin,Anne Griffin Perry,Patricia Ann Potter,2000 Featuring a dynamic full color design with full color

photographs Nursing Interventions and Clinical Skills presents basic and advanced nursing skills in a unique format that addresses the needs of today's students. The nursing process framework, crisp clear writing style, consistent logical format, generous use of color photographs and drawings, and functional use of color combine to make this text attractive, practical, and easy to use. The format includes assessment criteria, nursing diagnoses, expected outcomes, and equipment implementation, as well as evaluative criteria, unexpected outcomes, and related interventions, and sample documentation for each skill.

Clinical Nursing Skills & Techniques Anne Griffin Perry, Patricia Ann Potter, 2002. This convenient money saving package is a must have for nursing students. It includes Perry's Clinical Nursing Skills Techniques 6th edition text, Mosby's Nursing Skills CD-ROMs 2.0 Student Version.
