#### 1 Grammar

I love my family so much, and I really get along with everyone – my parents and my four brothers and sisters. However, sometimes they drive me crazy. There are both good and bad things about coming from a large family. One of the best things about coming from a large family is that I always have someone to talk to. Unfortunately, one of the disadvantages is that I never have any privacy. And of course, the trouble with not having any privacy is that I never have any space I can call my own. Our house is big, but sometimes not big enough!

#### 2 Grammar

- The best thing about being the youngest is that I'm the center of attention.
- The disadvantage of having a lot of kids is that I can't give each of them the individual attention they want.
- The problem with living with my father-in-law is that we disagree about everything.
- The worst thing about having two younger sisters is that they always want to know all about my personal life.
