Paul comes to us as a person from the past, historical scholarship has always tried to understand Paul as a person of his time, living and working within the diverse and multifarious political, religious and cultural world in which he belonged. Thought up as a Greek speaking Jew in Rome whose probable education in Jerusalem, and suffering a leading position in the religious politics of the Diaspora, Paul opens the "second half" of his life revealing several facets, Jesus Christ and Christ as an agent of apostleship of Jesus Christ, as a founder of Christ preaching movement Paul is viewed as a central figure in Jewish and the young Christ preaching movement that would later on come to be known as Christianity.

The authors of this handbook seek to present Paul of Tarsus, the first Christian apostle, within his own time, his thought, his own writings. Based on the content of his epistles, We understand Paul's letters as the earliest and most important source for reconstructing his person, his work, his commitment and his religious interpretation of the world, as an author, his thought, his work, his commitment, Paul is regarded as having laid the foundations of Christian commitment, especially in the Western part of the Roman Empire - his work, as Christ, Philippi and Thessalonians - and as having shaped the faith, the hope, the love, the thought, and the ethics of these communities. At the same time, however, Paul remains one of the most influential forces of his time, contributing to the first century's Judaism and on equal footing with Plato of Alexandria and such figures.

This handbook is written from a Christian, ecclesiastical, theological perspective, mostly by those Christian scholars, but also by scholars of Christian and Church History. The book includes a careful consideration of Paul's Jerusalem as his religious and cultural background and personal identity. The authors are aware of Jewish interpretations of Paul that differ from the Christian perspective. The contributions present not only issues that are common research on Paul, but also offer substantial original contributions in particular topics. At the same time the authors stress towards a critical examination of Paul's person and work, and a general appreciation of his letters as the first documents of "the beginning of Christianity".

This handbook offers students their perspectives on approaches for studying Paul. The first consideration Paul's person and work within the political,
