Scaling Innovation Madhavan Ramanujam, Eddie Hartman, 2025-08-05 You've built a great product now what The brutal truth most startups and scale ups don't fail because of bad products They fail because they never figure out how to grow fast and profitably Some chase market share at all costs burning cash on customers who won't pay enough to sustain the business Others over monetize too soon pushing away the customers they need to reach scale Still others obsess over customer loyalty missing larger markets and monetization potential And then there are those who assume a great product will sell itself only to realize too late that pricing packaging

positioning and value selling matter just as much. The true winners take a different approach. They adopt a Profitable Growth Mindset, refusing to choose between market expansion and monetization instead they dominate both. Instead of relying on instinct or momentum they architect growth with precision making every move count towards building enduring value. In this highly anticipated sequel to *Monetizing Innovation* Madhavan Ramanujam and Eddie Hartman unveil a battle tested playbook for architecting profitable growth. Drawing from their experience advising over 400 companies including 50 unicorns the authors dissect both legendary successes and costly failures. Packed with real world case studies hard hitting insights and nine breakthrough strategies *Scaling Innovation* reveals how founders executives and investors need to navigate the critical transition from product market fit to building an enduring high value business. If you want to scale smartly outmaneuver competition and unlock exponential revenue this book will show you how. Inside You'll Learn Why the single engine strategy dooms so many businesses and how to avoid it. How to create outcome and usage based monetization models. The secrets to mastering value messaging and getting customers to pay what you're worth. Mastering sales negotiations give and get strategies to close faster better and more often. How to stop churn before it happens. Maximize upsells and handle price increases with confidence. The essential tactics for balancing market share and wallet share without losing momentum. If *Monetizing Innovation* taught you how to build a great product *Scaling Innovation* will teach you how to build a great business one that thrives scales and creates real enterprise value. Read it. Apply it. Build something that lasts. [Extra Mile](#)

Waiting For Service Amas Tenumah, 2021. You hate waiting in line or on the phone for customer service. There have been plenty of books about customer service that all seem to offer secrets to improve customer service. This is not that book. I instead want to focus on Why customer Service is so broken and give you the secrets to get around it. Customer service is bad by design. Your bad customer service is not random it is intentional. Customer Service is universally terrible this is not an opinion. You do not have to believe me I am saying it is raining outside and you can simply look out the window. I spent two decades helping dozens of your favorite brands with customer service. You will laugh get mad all over again at some of the conversations I have had with executives around customer service. I name names expose Customer Service nightmares from
